

## WHAT DOES THE GEMATRIA SAY ABOUT

### ADAM BENNETT SCHIFF

**BY: David Ben Ya'akov**

Adam Schiff is an interesting individual. He takes up causes for the poor in his constituency yet he votes Democratic Party lines which are aligned to keep his constituents poor and needy. Perhaps that is how he stays in power. When you think about it, this is the same tactic that a Mafia boss uses, just keeping his territory above the poverty line so that they will protect him while never realizing that he is the one that is keeping people poor and their children, drug addicts.

Adam likes to assert his power in the halls of Congress and can many times be found with a wild-eyed look while he is giving press conferences and talking to his peers in Congress. He is either severely demon-possessed or has some sort of thyroid disorder, given the buggy eyes and contemptible look that he exhibits. Now, let us look at what the Gematria has to say about Adam Bennett Schiff:

**God is Christ** – A whole thesis could be written on this term. The technical Jewish word for God is El as denoted by Elohim (a plurality) El Elyon (God Most High) El Shaddai (God Almighty) and other defining words, all having the prefix of “EL.” Many biblical characters have “el” in the suffix of their names, like Yoel (Joel) which means “Yahweh is God.” Most ascribe the Character of Yahweh or YHVH as being the second person of the Godhead, namely Yeshua, or Jesus. Christ is the Greek form of Mashiach (Messiah), both meaning “the Anointed,” denoting that they are anointed of El Shaddai for priesthood and kingship. This brings us to the

triune nature of Elohim, which traditionally consists of three persons, Father (El), Son (Yeshua), and Spirit (Ruach Ha Kodesh, or Holy Spirit). John chapter one says that Yeshua (the Logos, or Word) was with God (El) in the beginning denoting that he is not a created being, but part of the Godhead. Later in the Gospel of John, Yeshua denotes the Ruach Ha Kodesh as being person, referring to the Spirit as “HE,” which in Greek is a person and not a force. Do you see how hard this is? So technically, Messiah (Christ) is God, therefore God is Messiah because they are two in one but separate in personage. So, the phrase “God is Christ is the wrong terminology if we are looking at him with a cadence, but if we are looking at Him as Elohim, they are the same, although Yeshua delineates himself as the Son doing the will of El, his Father.

**Neptune** – Okay, so I’m not one to get into the astrological stuff, not at all. For the heck of it, I did a little research on this, weaving like a Pacman character through all of the stupid little hallways that astrology sets up deliberately to make them look right even when they’re wrong. Their astrological talk is so discombobulated that you have to be an astute madman to be able to understand it. What I got out of the crapola that I read is that according to the stargazers, Adam Schiff would have some success while trying to trap President Trump in Schiff’s made-up scandal, but toward the middle of 2020, the planet Neptune would do something to trip him up so that he would not have any success the second half of the year. It has to be noted that Schiff has been relatively silent the last half of 2020, ever since his planned coup dissolved and Trump was exonerated of any wrongdoing early on in the year. One thing that was mentioned is that “the star alignments” [sic] showed that Trump and Schiff would square off in battle quite often, which has turned out to be true, but the stars have very little play in this prediction because the whole Washington Deep State Swamp has squared off against Trump and they all have different star charts, or I guess that they do.

**Qasem Soleimani** – One of the chief contentions of Adam Schiff against Trump is that he didn't think that the killing of Iran's terrorism mastermind, Soleimani, was justified and that it only brought more anger toward the United States from Iran. Frankly, that ranks right up there with having a shopping list of 1000 items and being yelled at for forgetting to pick up a loaf of bread. Bupkis.

**Nron QSR** – At first, I thought that this was some sort of stupid word that someone put into the Gematria calculator to mess around, but I copied and pasted it anyway into the Google search engine and came up with a result from a Catholic website that I will cite below. The name of the article is, "Does 666 Add Up to Nero?" I have pasted part of the text below. Before I paste it, I want to look at some of Schiff's attributes. He does act neurotic at times, exhibiting what one can only classify as psychotic eyes. He does fly off in word speak when he speaks in frustration, but many times in what appears to be a restrained psychotic fit. Also, he does act dictatorial many times, claiming to have evidence about things but refusing to release that evidence, making one wonder if he is lying or truthful about the matter. He fiddles while Washington burns. Here is the text from the article that I found:

*Revelation 13:8 says, "Wisdom is needed here; one who understands can calculate the number of the beast, for it is a number that stands for a person. His number is six hundred and sixty-six.*

*"The Greek name "Nero Caesar" put into Hebrew letters is NRON QSRN, which adds up to six hundred and sixty-six. If this were all we had to go on, then Nero would not be any more likely a candidate than any other name that could add up to this number, but there is one more piece of evidence that points to Nero.*

*We learn from the early Church father Irenaeus of Lyons that in his day (c. AD 180) the reading “666” was “... found in all the most approved and ancient copies” (Against Heresies, 5, 30, 1), but he doesn’t tell us what number the minority manuscripts give. There is manuscript evidence that the alternative number is “616.*

*” But why this second number? Where did it come from? It’s possible that the second number comes from the Latin version of Nero’s name, which, when put into Hebrew letters drops the second “N” (Hebrew, Nun) so that it reads, NRO QSR instead of NRON QSR. Since “N” Nun) has the value of “50.*

*” The Greek version of his name when put into Hebrew letters has the value of 666, while the Latin version has the value of 616.*

*Nero also seems to be a likely candidate in that Revelation 13:3 speaks about the beast having one head that “... seemed to have been mortally wounded, but this mortal wound was healed. Fascinated, the whole world followed after the beast.*

*” Roman historians report that after Nero committed suicide in AD 68, there was a widespread belief — possibly generated through the prediction of a group of astrologers — that Nero was not dead but would return to power soon. After Nero’s death, there were three imposters who pretended to be “Nero Redivivus” (Nero reborn).*

*All this being said, its value depends on how one approaches Revelation. If you believe that Revelation speaks exclusively of the future, then Nero obviously isn’t a candidate. Otherwise, everything adds up to Nero. [Source: <https://detroitcatholic.com/news/gary-michuta/does-666-add-up-to-nero>]*

No, Nero isn't a candidate, but that Adam Schiff has a name-value that is equivalent to Emperor Nero suggests that the two share character traits and it also suggests that perhaps Schiff will fit somehow into future end-time events since they both share the number of the beast.

**I Am the Son of God** – It is common knowledge that Yeshua is the Son of God as pointed out in both the Tanakh and the Brit Hadasha (Old and New Testaments). As the Son of God, he will be the judge at the White Throne Judgment that will judge everyone that did not acknowledge Yeshua as being Lord and Savior and having been raised by God from the dead. As the scenario goes, sinners will be accused (impeached) given a short trial, and then condemned to an eternity in what Revelation calls A Lake of Fire and Brimstone that Burns Forever.

It is interesting to know, that the Wall Street Journal gave Schiff the following title:

*“Behold the Lord High Impeacher,” sneered a headline in the Wall Street Journal’s opinion section. [Source: <https://www.lamag.com/mag-features/adam-schiff-impeachment/>]*

Even though it was said in mocking jest, the phrase does entertain the notion that Adam Schiff does think highly of himself, almost messianic in form, sent to rid the world of evil. It's just too bad that he works for the very evil that most of the world is trying to rid itself from.

**Predictions** – A person who predicts is called a fortuneteller. There is a variety of other words to describe such a person. Merriam Webster's Thesaurus gives the following synonyms and also related words:

*Synonyms of prediction*

*a declaration that something will happen in the future*

*Synonyms for prediction - auguring, augury, bodement, cast, forecast, forecasting, foretelling, predicting, presaging, prognosis, prognostic, prognosticating, prognostication, prophecy (also prophesy), soothsaying, vaticination*

*Words Related to prediction - foreboding, harbinger, omen, portent, prevision, prospectus, sign anticipation, foreknowledge, foresight, conjecture, guess, surmise*

*[Source: <https://www.merriam-webster.com/thesaurus/prediction>]*

Aside from the definition of prophecy, which is condoned by scripture, especially if it is prophetically coming from YHVH, the rest of the words denote either getting information from false sources, making hopeful guesses, or maybe educated guesses, but nothing sure. Adam Schiff during his career has been a man that has made hopeful and educated guesses. He once prosecuted a suspected spy three times before he could get the charge to stick and result in a conviction. Where Trump is concerned, he never revealed his sources, denying Trump of Due Process of Law. His sources turned out to be a sham and Schiff was made a mockery of during the US Senate impeachment trial of President Trump. Even though every one of his accusations was refuted, he refused to recant his accusations and, in his eyes, Trump is still guilty. So, when we hear the subject of Russian meddling in the election resurfacing yet again, you can well bet that Schiff is behind it.

**Ayin** – In Hebrew, Ayin is symbolic of the number 70. The year 2018 was the 70<sup>th</sup> year of modern Israel's history. Adam Schiff was at this time heavily embroiled in the effort to impeach President Trump. While Trump was performing an act of Righteousness in the eyes of YHVH, Schiff was performing acts that tried to thwart Trump. So, on the 70<sup>th</sup> Anniversary of the rebirth of Israel, a vehicle that was being used to bless Israel was being battered by the enemy of YHVH, but it didn't work.

**Souls** – This term is so broad that it could mean any number of things. It could mean that Schiff and Trump are embroiled in a battle for the souls of Americans, Schiff fighting for the slavery that comes with Satan, and Trump fighting for the Liberty that comes with YHVH. Schiff, as is his habit, often inflates situations and circumstances to make a point, so this could be a reference to the COVID-19 death count, much of which is inflated in number and cause. It could be a reference to when Schiff scolded the Republican Senate for having little or no souls for finding Trump innocent of his impeachment charges. It is a term that Schiff uses often to gain sympathy for his causes. Finally, it could be that Schiff is severely demon-possessed. We know that the demons that exist are the souls of the departed Nephilim. Truth be told, as psychotic as Schiff often looks, I think that this is the best answer to the numerical match of his name with the word “souls.”

**Scottish** – I checked the Illuminati Bloodlines list, the Active Masonic Member list and I looked at several sources for Scottish ancestry for Adam Schiff. Nothing remotely suggestive was ever found.

**Pixar** – Disney and Pixar are companies that promote pedophilia. A simple gaze at symbolism used in media that each company produces proves that with little difficulty. There have been rumors that associates of Schiff have been investigated and/or arrested on pedophilia charges. These “rumors,” are often quickly fact-checked as lies and are quickly removed from social media sources. Makes one wonder, especially since the fact-checkers are predominantly leftists in nature.

**Ormus** – Depending on what source you check, the Schiff name (not Adam specifically) does come up in registrars of Illuminati members. Also, depending on the source, one will find that Adam Schiff is the progeny of one Jacob Schiff who had close ties and working connections with

the Rothschilds family in the 19<sup>th</sup> Century. Ormus is considered to be a modern alchemy product where fine particles of gold are placed in water and are rumored to add longevity to the consumer.

**Oy** – First part of combined Yiddish word Oy-Veh, roughly translated “woe is me.” Probably uttered by Schiff during the Senate Impeachment Trial of Donald Trump when Schiff’s accusations proved to be empty and hollow.

**Xeper** – This word can be ascribed to Adam Schiff, a man determined to prove himself to be the living embodiment of truth and justice yet without any manifestation to prove his claim. He’s made up the Trump Impeachment based on lies and innuendos and refuses to reveal sources and let the accused face his accusers, claiming that the accusers choose to remain anonymous. The information below has to do with the Temple of Set, which is Egyptian Satanism. Here is a definition of Xeper as it relates to Satanism:

*The human individual is at the centre of Setian philosophy. The Temple places great emphasis on the development of the individual, postulating self-deification as the ultimate goal. The realization of the true nature of the Setian is termed "becoming" or "coming into being" and is represented by the Egyptian hieroglyphic term kheper, or "Xeper" (a phonetic of Xpr), as the Temple of Set prefers to write it. This term is described in The Book of Coming Forth by Night as "the Word of the Aeon of Set". Members attempt "to preserve and strengthen" their "isolate, psyche-centric existence" through adherence to the left-hand path. This idea is in opposition to the traditional goal of Hermetic and Western mystical practices, which is the surrendering of the ego into a union with either God or the universe.*

*The Temple teaches that the true self, or essence, is immortal, and Xeper is the ability to align consciousness with this essence. Aquino taught that there is an afterlife for those who have reached the necessary level of individual development. This afterlife could occur in the individual's subjective universe. Those unable to reach this level dissolve into non-existence when the physical body dies.[68] Self-initiation is knowledge understood as a conjunction of intellect and intuition. In keeping with its emphasis on the individual, the Temple encourages their members to celebrate their own birthday, and does not prescribe any other calendar of religious festivities. [Source: [https://en.wikipedia.org/wiki/Temple\\_of\\_Set#Self-deification\\_and\\_Xeper](https://en.wikipedia.org/wiki/Temple_of_Set#Self-deification_and_Xeper)]*

**Spill The Beans** – This term is an antithesis of what Adam Schiff is all about. He demands that his victims reveal sources and produce witnesses but refuses to do the same when presenting a case. Typical “do as I say, not as I do,” sort of guy

**Dr Moreau** – This is where things start to get interesting. It is plain to me that Adam Schiff is either severely demon-possessed or he’s a product of DNA tampering or genetic engineering. The word value here doesn’t denote whether Schiff is a modern-day Dr. Moreau, or a product of Dr. Moreau.

*Moreau is the main antagonist in H. G. Wells's 1896 science fiction novel *The Island of Dr. Moreau*. He is a brilliant surgeon forced to relocate to a deserted island when it was discovered that he was performing vivisection (live dissection) upon animals. His ultimate goal was to form animals into human beings. [Source: [https://villains.fandom.com/wiki/Dr.\\_Moreau](https://villains.fandom.com/wiki/Dr._Moreau)]*

**Laylah** – Keeping in mind that Jacob Schiff was a powerful man that worked for the Rothschilds Family who came to America to set up shop for that family it is not surprising that the name Laylah is associated with Adam Schiff. Again, I can find no direct tie between Jacob and Adam, but this sometimes happens in Illuminati families, sometimes through intermarriage and sometimes because the relationship, although not direct comes through an insignificant (historically speaking) brother or uncle or such, but of the same bloodline. The name Laylah is steeped in Jewish Mysticism and without the vowels, which are not there in ancient Hebrew, equate to consonantal root LYL, and is shared with the mythical character of Lilith, who according to Jewish Folklore was the demonic princess created at the same time as Adam and was his first wife (again, according to myth, not fact).

Below, aside from the traditional mythic story of Laylah, we learn that a woman named Laylah was a consort of the infamous Allister Crowley, probably one of the most wicked men that ever walked the face of the earth. Perhaps I will do a Gematria Search of him after this one. Below are two accounts of the name Laylah, one from Rabbinic Traditional sources, and the other concerns Crowley's consort. I place these here because if Adam Schiff is part of the Illuminati bloodline, or at the very least is controlled by them, it would make sense that he would be associated with the name Laylah. Unless Schiff comes out with some sort of data that shows us that he is involved in the Illuminati, direct Satanism, or anything of the sort, the only clues that we have is that he fights for their causes and he does have the appearance many times that something other than the soul of Adam Schiff is controlling his character, or maybe the character is wearing a Schiff suite:

*The name Lailah is the same as the Hebrew word for "night" laylah לַיְלָהּ. The identification of the word "night" as the name of an angel originates with the*

*interpretation of "Rabbi Yochanan" (possibly Yochanan ben Zakkai c. 30 - 90 CE) who read "At night [Abraham] and his servants deployed against them and defeated them" (JPS Genesis 14.14) as "by [an angel called] night" (Sanhedrin 96a).*

*The noun for "night" in the Semitic languages is derived from the tri-consonantal root: L-Y-L, also found in Arabic laylah "night" (Arabic: ليل). The root is also shared with the Hebrew noun liliyt, "night creature", one origin of the Lilith myth.*

*The ending lah is a feminine. Lailah is the only angel with a feminine name and distinctly feminine characteristics. [Source: <https://en.wikipedia.org/wiki/Lailah>]*

But it gets even deeper:

*Leila Ida Nerissa Bathurst Waddell, also known as Laylah, (10 August 1880 – 13 September 1932) was a violinist, daughter of Irish immigrants to Australia, David Waddell of Bathurst and Randwick. She became a famed Scarlet Woman of Aleister Crowley, and a powerful historical figure in magick and Thelema in her own right.....*

*She was familiarly addressed by Crowley as "Laylah," and was immortalized in his 1912 volume *The Book of Lies* and his autobiography *The Confessions of Aleister Crowley*.*

*Crowley referred to her variously as 'Divine Whore', 'Mother of Heaven', 'Sister Cybele', 'Scarlet Woman' and 'Whore of Babylon'. Crowley's famous *Book of Lies* was largely dedicated to Waddell, with poems like "Duck Billed Platypus" and "Waratah Blossoms". A photograph of her in ritual is reproduced in the volume.*

*Waddell herself was an accomplished writer, magician. In October and November 1910, Crowley starred Waddell and other members of his magical order the *Argenteum Astrum**

*in his series of dramatic planetary-based magical rites, the Rites of Eleusis, at London's Caxton Hall.*

*In 1912 Waddell, and fellow Crowley students Mary Desti and Mary Butts, were given co-authorship credit on Crowley's Magick (Book 4) as they wrote down his words, helped shape them by asking defining questions, and elicited Crowley's commentary on pertinent points.*

**Lamashtu** – Believe it or not, this was one of the easier numeral name equivalents to associate with Adam Schiff. Below I will cite data on this demonic creature and will give the stats for Adam Schiff on the Abortion Issue:

*In Mesopotamian mythology, Lamashtu (Akkadian dLa-maš-tu; Sumerian Dimme dDim3-me or Kamadme was a female demon, monster, malevolent goddess or demigoddess who menaced women during childbirth and, if possible, kidnapped their children while they were breastfeeding. She would gnaw on their bones and suck their blood, as well as being charged with a number of other evil deeds. She was a daughter of the Sky God Anu.*  
*[Source: <https://en.wikipedia.org/wiki/Lamashtu>]*

Another website sums up Lamashtu in like manner:

*Lamaštu (also written Lamashtu) was an evil and malevolent demon goddess within the Mesopotamian pantheon – as the daughter of the god An and acting according to her own initiative, rather than at the gods' instruction, she represented something more than the usual demonic power. The writing of her name in cuneiform further suggests that Lamaštu was considered a goddess in her own right.*

*Lamaštu practised evil apparently for its own sake, her primary victims considered to be unborn children and new-born babies. Pregnant women were therefore also her targets, Lamaštu generally being held responsible for miscarriage and cot death amongst babies. It was believed, in the first instance, that the wearing by the expectant mother of an amuletic bronze head of the demon Pazuzu might thwart the goddess' evil plans. Another apotropaic device in warding off Lamaštu was the positioning of the so-called 'Lamaštu-plaques' of metal or stone about the house, these including a depiction of Pazuzu forcing Lamaštu back into the Underworld from whence she came. Rather than a pregnant woman, however, these plaques depict a bed-ridden man, suggesting that Lamaštu was also associated with disease. Finally, the ritual offering of centipedes and brooches, amongst other items, were considered to distract Lamaštu from her intent.*

The fact that the definition of the deeds of this demonic goddess parallels many of the practices of modern-day abortion and infant/child abduction shows us that nothing is new under the sun. Adam Schiff, by proxy and support of abortion in type, worships this demonic goddess, so I see it as no coincidence that both would bear the same Gematria numeric value.

Finally, as promised, here is a list of abortion legislation that shows how Adam Schiff has voted on this issue, showing that he affirms the actions of Lamastu.

- *Supports the right to choose. (Jan 2001)*
- *Voted NO on banning federal health coverage that includes abortion. (May 2011)*
- *Voted YES on expanding research to more embryonic stem cell lines. (Jan 2007)*

**Axios** – This is a Greek word that means “worthy,” in most senses of the meaning:

*Strong's #514: axios (pronounced ax'-ee-os)*

*probably from 71; deserving, comparable or suitable (as if drawing praise):--due reward, meet, (un-)worthy.*

*Thayer's Greek Lexicon:*

*axios*

*1) weighing, having weight, having the weight of another thing of like value, worth as much*

*2) befitting, congruous, corresponding to a thing*

*3) of one who has merited anything worthy*

*3a) both in a good and a bad sense*

*Part of Speech: adjective*

Notice that the word can mean being worthy of good or bad things. I am sure that Adam Schiff would think that he's worthy of praise for what he sees as acts of righteous character traits, but having observed him during various governmental functions that have been aired, the man has narcissistic traits and that of a sociopath. One has to wonder what sort of psychotropic drugs that politicians in Washington are taking to take on the appearance of being halfway sane.

**FDNY** – Thinking that aside from this being the acronym of Fire Department New York, this might also be the acronym of something Federal since the first letter is an “F,” but a search yielded nothing of that nature, so this is nothing but a coincidence.

**Hunger Pain** – To his credit, Adam Schiff has been active in raising money to support food banks in his congressional district, so he has been active in staving off the hunger pains of some of his constituents. On the flip side, there is no indication to suggest that he has done anything to

assist to get people to the point where they are making a living to permanently stave off hunger. Like a typical leftist, he throws money at an issue rather than solve the foundational issue of the problem.

**Obama Treason** – As time marches forward it has become evident that Obama has been active in performing a treasonous soft coup against President Trump. The Russian Spycgate Scandal was organized by Obama and Schiff was the bastard child of this treasonous act, making up accusations and using fictitious characters to bring forth charges.

**Yain** – This is a proper first name for a male. I found it interesting that the first entry in the Google search engine was from a Kabbalah website that tells about names. I've looked up many proper first names before and NEVER had that happen. People named Yain are said to have the following characteristics according to Kabbalah. Note that I do not endorse Kabbalah.

- *Your name of **Yain** has made you a hard worker with a meticulous sense of detail.*
- *You have a great deal of patience and independence, and you can be relied upon to complete your undertakings.*
- *You are stable, trustworthy, home loving, and logical in practical matters, but rather unresponsive to suggestions from others.*
- *You are thorough and need to see proof before accepting new ideas.*
- *You resist change.*
- *This name limits your vision and imagination but you could be inventive along practical lines.*
- *At times you find it difficult to express the depth of your feelings for those you love.*

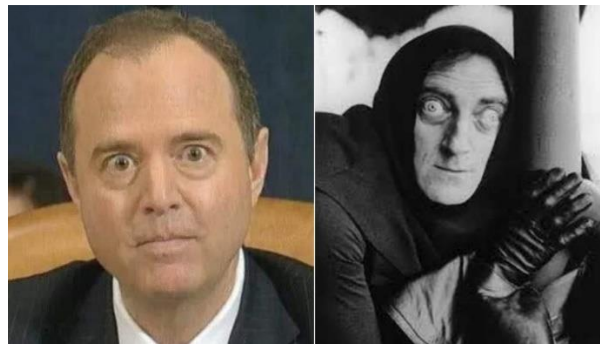

*Weaknesses in the health could affect the intestinal organs or cause glandular conditions.  
Problems from head tension **affecting the eyes**, ears, sinuses, or teeth could arise.*

*[Source: <https://www.kabalarians.com/f/Yain.htm#:~:text=Yain%20->*

*%20Detailed%20Meaning,your%20goals%20regardless%20of%20obstacles.*

It has been speculated that Adam Schiff might suffer from Grave's Disease, an autoimmune disorder that causes the body to see the tissues around the eyes as invasive tissue thus causing swelling. An actor named Marty Feldman had Graves Disease which ultimately killed him.

Picture From: <https://qmcusn.wordpress.com/2019/12/12/marty-feldman-eyes/>

**Tubinidae** – An Extinct fossilized worm or mollusk. Possibly this is a reference that once Schiff is out of politics, by whatever means, his memory or legacy will be something that will be relegated to a dank and dark storeroom where his remembrance will cease to exist. In the eternal scheme of things, this is true.

**Felixadler** – This is the name, Felix Adler. Research into Felix Adler yielded to results:

*Felix Adler (August 13, 1851 – April 24, 1933) was a German American professor of political and social ethics, rationalist, influential lecturer on euthanasia, religious leader and social reformer who founded the Ethical Culture movement.*

*Frank Bartlet Adler (better known by his stage name Felix Adler) (June 17, 1895 – February 1, 1960), born in Clinton, Iowa, was a circus performer and entertainer known as "The King of Clowns" who performed for Ringling Bros. Barnum & Bailey for 20 years. He was inducted into the International Clown Hall of Fame in 1989.*

Truth be told, the attributes of both men can be seen in the character of Adam Schiff. Adam Schiff voted in favor of Obama-Care, which has a death clause with its pages, which would mirror the thoughts of the German professor. On the other hand, the clown Felix Adler was said to have a white face with rosy cheeks, and his antics in mannerisms during times of anger are clownlike.

**Sierra Nicole Dean** – No references whatsoever. Most likely some person looking into their name on the Gematria Calculator.

**Beheading Humans** – This is probably one of the simpler ones to define. Schiff is a leftist that is intent on changing the foundation of the Republic and establishing a socialist form of government. This will ultimately result in what the Bible calls the Kingdom of The Beast, which will have a mode of capital execution that is beheading.

**Chagas Felix** – Most references were to people with Spanish combined surnames with no connection to Adam Schiff.

**I'm Not Normal** – This is a morals and ethics statement. So, to get to brass tacks, let's define normal as keeping his oath to protect and defend the Constitution of The United States. Schiff has offended the Constitution several times and has participated in an attempted coup to oust a legally elected President of our Republic. It is not normal to vote for a healthcare system that will bankrupt his country and it is not normal to prosecute an individual without giving that person

the right of due process of law. So no, Adam Schiff is far from normal and he's probably not normal when it comes to what sanity is defined as, seeing that psychologically he is all over the map.

**Kumku** – This relates to the Mayan Calendar and I find nothing that would relate to Adam Schiff.

**Krupt** – Urban street-talk that is defined as “corrupt.” The rest is self-explanatory.

**Circulinear** – Looking for a link between Adam Schiff and this word yielded a very interesting page. The name circulinear is a strange idea because circular means arcs and circles and linear denotes a straight line, at least in Euclidean Geometry. The website that I found uses the term circulinear to offer solutions to move the world economy into circular production. Let me present to you their page, where which they offer to use a new sort of reasoning, with United Nations interests to change the world as we know it.

When I think of economics and I think of “linear,” I think of starting small and gradually moving up and out. For instance, when I started to work back in the mid-1970’s as a dishwasher I made

\$1.76 an hour whereas today my wage is many-fold more than that, and with benefits and such. My line started at the bottom left and moved to the upper right of a graph box as I grew older and gained more experience and changed professions several times. A circular model would not afford me a better wage. Perhaps the circle could get bigger but circles always bring you back to where you were before. Circulinear to me suggests what the United Nations has mapped out for this world, a redistribution of wealth until everyone makes the same. We know this to be communism and it never works, except for the Bolsheviks that run things and while the masses wait in bread lines and suffer suppression. But isn't that what the Socialist Leftists want for us too? Who were once public servants elected to office are now oligarchs that try to outspend each other with our money to win elections based on unkept promises? Adam Schiff knows that although the illusion is that he's elected to political office, he's a leader and not a public servant. The numerical value for his name shows us that he's leading us into slavery, not freedom.

**Ur Moon** – Ur was an ancient Sumerian city. Information about the city is quite extensive.

Scripture says that Abraham came from Ur of the Chaldees. A description of Ur is as follows:

*Ur (/ʊər/; Sumerian: Urim; Sumerian*

*Cuneiform: URI<sub>5</sub><sup>KI</sup>, URIM<sub>2</sub><sup>KI</sup> or URIM<sub>5</sub><sup>KI</sup>; Akkadian: Uru; Arabic: أور; Hebrew: אור) was an important Sumerian city-state in ancient Mesopotamia, located at the site of*

*modern **Tell el-Muqayyar** (Arabic: تل المقير) in south Iraq's Dhi Qar*

*Governorate.<sup>[4]</sup> Although Ur was once a coastal city near the mouth of the Euphrates on the Persian Gulf, the coastline has shifted and the city is now well inland, on the south bank of the Euphrates, 16 kilometers (9.9 miles) from Nasiriyah in modern-day Iraq.*

*The city dates from the Ubaid period circa 3800 BC, and is recorded in written history as a city-state from the 26th century BC, its first recorded king being Mesannepada. The*

*city's patron deity was Nanna (in Akkadian, Sin), the Sumerian and Akkadian (Assyrian-Babylonian) moon god, and the name of the city is in origin derived from the god's name. UNUG<sup>KI</sup>, literally "the abode (UNUG) of Nanna". [Source: <https://en.wikipedia.org/wiki/Ur>]*

So, what does this have to do with Adam Schiff? If you notice from the text above, Ur was the Moon-god of certain cities in Mesopotamia. There is another religion today that carries on that tradition, but under a different name, that name being Allah. Before Mohammad's time, the Arab tribes worshipped Allah, but he was not equated with the God of the Bible, YHVH, he was equated with being a moon god, the same as Ur. Allah is not YHVH and YHVH is not Allah. The word "alah" is found in scripture and is defined thusly (Numbers 5:21):

*Noun: H423*

*אלה 'âlâh, aw-law'; from H422; an imprecation: —curse, cursing, execration, oath, swearing.*

*Verb: H422*

*אלה 'âlâh, aw-law'; a primitive root; properly, to adjure, i.e. (usually in a bad sense) imprecate: —adjure, curse, swear.*

The word imprecate is interesting. The angels that sinned in Genesis, Chapter six:

*1 And it came to pass when the children of men had multiplied that in those days were born unto them beautiful and comely daughters. 2 And the angels, the children of the heaven, saw and lusted after them, and said to one another: 'Come, let us choose us wives from among the children of men 3 and beget us children.' And Semjaza, who was their leader, said unto them: 'I fear ye will not 4 indeed agree to do this deed, and I alone*

*shall have to pay the penalty of a great sin.' And they all answered him and said: 'Let us all swear an oath, and all bind ourselves by mutual imprecations 5 not to abandon this plan but to do this thing.' Then sware they all together and bound themselves. 1 Enoch*

*Chapter 6*

The fallen angels (Sons of God) swore an oath that they would all sin together and they would all pay the penalty together if one was brought against them, and one certainly was brought against them later on.

Adam Schiff is a big proponent of furthering Islam with the borders of the United States. If he is a Jew (remember the Rothschild connection) then he is a self-hating Jew because he ally's himself with Islam, which is one of the largest Jewish Hating organizations, far excelling in numbers the Nazis and other anti-Semitic peoples combined. Schiff even went as far as to endorse CAIR (Council of American Islamic Relations), an organization that funnels funds to Islamic terrorists around the world. Here is his endorsement:

*"Founded in 1994, CAIR is America's largest Muslim civil advocacy organization...and the Council's work in Los Angeles, the state of California, and across the nation is much appreciated." - Rep. Adam B. Schiff (D-Ca.) (September 2013).*

*CAIR's vision and mission is more important now than ever before-to be a leading advocate for justice and mutual understanding, and enhance understanding of Islam."*

*Rep. Adam Schiff (D-Calif.) (October 2017). [Source: [https://keywiki.org/Adam\\_Schiff](https://keywiki.org/Adam_Schiff)]*

Putting it all together, Adam Schiff is a perfect numerical match for Ur Moon. The Gematria hit this nail squarely on the head.

**Haylal** – This word is used one time in the Tanakh, in Isaiah 14:12 and it is used to describe Lucifer. See Below:

*Halel – Noun H1966*

**הַיְלֵל** *hêylêl*, hay-lale'; from H1984 (in the sense of brightness); the morning-star: — lucifer.

*Halel – Verb H1984*

**הָלַל** *hâlal*, haw-lal'; a primitive root; to be clear (orig. of sound, but usually of color); to shine; hence, to make a show, to boast; and thus to be (clamorously) foolish; to rave; causatively, to celebrate; also to stultify:—(make) boast (self), celebrate, commend, (deal, make), fool(-ish, -ly), glory, give (light), be (make, feign self) mad (against), give in marriage, (sing, be worthy of) praise, rage, renowned, shine.

Lucifer is also known as Satan, which is translated as “accuser.” Scripture in the Brit Hadasha talks about how he stands before YHVH accusing the saints. He is also a tempter, seeing how he bargained with YHVH to test Job and tempted Yeshua in the desert after Yeshua’s forty days of fasting. It would seem that Adam Schiff lives up to the name Haylal quite well as exhibited by the way that he accused Trump with false accusations that he could never substantiate, nor would he reveal his sources. Again, we have to question whether Adam Schiff is 100% human or if there is another entity within him that is calling the shots.

**Marriott** – The only Marriott hotel that I can find in or around West Hollywood is SLS Hotel, a Luxury Collection Hotel, Beverly Hills. Why is this important? Let me state that there is very little to find or substantiate the following claim. Rumor has it that Adam Schiff snuffed a boy at the Standard Hotel in West Hollywood, which is a section of Los Angeles, which happens to be

the district that Schiff represents. Again, this is a rumor, but after the things that we have learned so far, and with child trafficking by the Deep State being such a rampant problem I guess we won't find out until the sealed indictments are opened and arrests are made. However, if there is truth to this, and Trump holds the indictments then it would explain Schiff's almost orgasmic zeal to get Trump thrown out of office and prosecuted for crimes.

**Death Blossom** – Death Blossom was a tactic employed by Iraqi security forces that were fighting alongside American troops. They would either cut and run, or spray arms fire in all directions, both ineffective methods of fighting.

How does this fit into the scenario here? Supposedly President Trump and the Military knew that the Leftists would try to perform a coup using election fraud. They watermarked ballots so that originals could be differentiated from fake ballots, distributing them to states that they knew would cheat for Biden. The plan is to wait till the election issue gets to the Supreme court to produce that evidence, along with all of the signed affidavits from people that witnessed the election fraud. Note that a week ago US Special forces raided offices in Germany where our votes were being counted. They seized the voting computers and other evidence. When the evidence is presented, there will be mass arrests (fired in all directions), and high-profile Deep State operatives, yes, including politicians will be arrested and tried for treason. Since Adam Schiff's name is a numeric equivalent to Death Blossom, could it be he won't be around much longer? This whole scenario is known as Operation Death Blossom.

**Antionette** – There is nothing to state here, but I will make a guess. Perhaps, just like Marie Antionette felt that she would be spared because she was a woman and the people wanted King Louis executed, the surprise came when she suffered the same fate as King Louis. Maybe Schiff will try to turn but it will be too late and he will go down like the rest.

**Air Soul** – All humans are triune, possessing a body, spirit, and soul. To suggest that Schiff is an air soul (they mean the same thing) seems to suggest that perhaps while he has a soul, the spirit that he possesses is not his own. We are told in 1 Enoch that demons are the departed spirits of the Nephilim, a race of hybrids that were half-human and half angelic. So, as it may be, either Schiff is a fallen angel that shapeshifts into human form, or he is a Nephilim, possessing the soul of a human but the spirit of a fallen angel. Remember, he is rumored to have Illuminati connections, so it is not farfetched.
