

DO NOT BE CONFUSED BY THE TERM KHAZARIAN

A few years ago, I wrote an article about a term that so many find confusing. That term is Zionist. In that article, I wrote that there are in fact two definitions of that word and that the authentic definition was often replaced by the second definition. The word is often misused to define a group of internationalists who are a cabal of people who are intent on making a One World Order and forcing such on the whole world. Unfortunate for Jews everywhere, there are some who are of Jewish heritage but who are not Jews per se who are involved in that conspiracy and many of them are high up within that cabal. What is hardly ever mentioned is that there are many gentiles involved in the NWO conspiracy, much more than there are Jews, but their names are never mentioned because if they were then the blame could not be placed squarely on Jews.

The “gospel” of anti-Semites is called “The Protocols of The Elders of Zion,” which is purported to be the minutes dictated during a meeting of rich Jews in early 20th Century Russia. Here are how the “Protocols” are defined:

The Protocols of the Elders of Zion (Russian: Протоколы сионских мудрецов) or The Protocols of the Meetings of the Learned Elders of Zion is an antisemitic fabricated text purporting to describe a Jewish plan for global domination. The forgery was first published in Russia in 1903, translated into multiple languages, and disseminated internationally in the early part of the 20th century. According to the claims made by some of its publishers, the Protocols are the minutes of a late 19th-century meeting where Jewish leaders discussed their goal of global Jewish hegemony by subverting the morals of Gentiles, and by controlling the press and the world's economies.

Henry Ford funded the printing of 500,000 copies that were distributed throughout the U.S. in the 1920s. The Nazis sometimes used the Protocols as propaganda against Jews; it was assigned by some German teachers, as if factual, to be read by German schoolchildren after the Nazis came to power in 1933, despite having been exposed as fraudulent by The Times of London in 1921. It is still widely available today in numerous languages, in print, and on the Internet, and continues to be presented by some proponents as a genuine document.

The Protocols is a fabricated document purporting to be factual. Textual evidence shows that it could not have been produced prior to 1901. It is notable that the title of Sergei Nilus's widely distributed edition contains the dates “1902–1903”, and it is likely that the document was actually written at this time in Russia, despite Nilus' attempt to cover this up by inserting French-sounding words into his edition. Cesare G. De Michelis argues that it was manufactured in the months after a Russian Zionist Congress in September 1902 and that it was originally a parody of Jewish idealism meant for

internal circulation among antisemites until it was decided to clean it up and publish it as if it were real. Self-contradictions in various testimonies show that the individuals involved—including the text's initial publisher, Pavel Krushevan—purposefully obscured the origins of the text and lied about it in the decades afterwards.

*If the placement of the forgery in 1902–1903 Russia is correct, then it was written at the beginning of the anti-Jewish pogroms in the Russian Empire, in which thousands of Jews died or fled the country. Many of the people whom De Michelis suspects of involvement in the forgery were directly responsible for inciting the pogroms

Let me exhort you to go to the article on Wikipedia so that you can read more extensively the history of the fake documentation that has turned millions of people against the Jewish people. Forgeries, innuendo's and lies are not truths. Such things lead to a life of hatred and sorrow. Yeshua told us to keep the Commandments, and one of them prohibits false witness:

And he said unto him, Why callest thou me good? there is none good but one, that is, God: but if thou wilt enter into life, keep the commandments. He saith unto him, Which? Jesus said, Thou shalt do no murder, Thou shalt not commit adultery, Thou shalt not steal, Thou shalt not bear false witness, Honour thy father and thy mother: and, Thou shalt love thy neighbour as thyself. Matthew 19:17-19

We are told by Yeshua that part of keeping Torah is obeying the 10 Commandments. When a person reads The Protocols of Zion or any book for that matter the result is determined by the condition of the reader's heart. Proverbs reads:

A false witness shall perish: but the man that heareth speaketh constantly. Proverbs 21:28

What is interesting about the scripture in Proverbs is that though it mentions that a false witness shall perish, it shows the flip-side of the coin and proclaims that the man who heareth speaks constantly. What on earth does that mean? The word in Hebrew for “heareth” can mean many forms of hearing, but we have to go with context. The meaning that fits the best is that “hearing” is judgmental in nature. In other words, the man that judges wisely in matters speaks constantly. The word in Hebrew for “constantly” denotes an aspect of eternity. Simply put, if you bear false witness you'll die, but if you judge what you hear, and judge righteously you'll live forever.

Now there could be a double meaning in this scripture because so many of the words have many definitions, and as history points out, what I am about to present is a common character flaw of those who hate, aside from hate being the major character flaw. So, taking into account that this scripture could have a dual meaning, two meanings that can both be correct, it could be also rendered:

A false witness shall perish: but the man that hears the false witness will speak the false witness's idea constantly.

This is the case of those who read works like The Protocols of Zion, who read it to obtain false witness so as to have it tickle their ears. In other words, they use such books to confirm the hatred that they already have in their hearts. It is no surprise that such works as The Protocols of Zion are taken to heart by people who are perishing because the Protocols preach hate using false testimony and talk to fallen hearts. On flip-side, the Bible challenges the heart of the unsaved because it is contrary to the heart of a natural man. People who say that the Bible has a lot of contradictions are partially correct, not that the Bible contradicts itself, it contradicts what unsaved people see as normal.

Those who hate Jews and who hate Israel will often say that the ills of the world all come about because they are part of a Zionist World Agenda. They often quote The Protocols of Zion as their evidence. We Jews have often been blamed for the ills of society. In the past, if something like the stomach flu went through a village the Jews if the village were accused of poisoning the town's well. If a child wandered off and was lost the Jews were often accused of accosting the child and using him or her for blood sacrifice. If the plague raged through an empire it was sooner or later blamed on the Jews. It is interesting that the Protocols of Zion was written right around the time that pogroms were raging in Russia and Eastern Europe. The Protocols were required reading by many Nazi teachers and they are a big hit among Jew haters in the United States.

I am a subscriber to a group on Facebook that deals with Chemtrails and other environmental issues. Yes, it is a conspiracy theory site, but a lot of good information comes from the feed. The downside of this group is that it often allows Jew haters to post their opinions, almost every one of them blames Chemtrails and other environmental issues on a Jewish Zionist Conspiracy.

One tactic that the enemy (Satan) likes to use and a tactic that he teaches his disciples is the art of accusing an opponent of committing the same sin that the accuser is committing. I grew up during the Cold War and this is one of the tactics that the Soviets would use. The Soviets would report that the Western World was conniving in one area of the world (sometimes true) while at the same time they were subverting countries around the world. By using this tactic, many times the squeaky wheel got the grease. If it was not such a tragic event, it would be almost comical to listen to the Church of Satan labeling Jews, The Synagogue of Satan. The sad thing is that when supposed Christians label Jews as a Synagogue of Satan it usually results in the murder of a large number of Jews. When history passes and the evil of some who have labeled themselves as Christians is finally revealed, it is usually just whitewashed and maybe a shallow apology is offered.

So yes, there are some Jews involved in what is labeled as a New World Order, and yes they are wicked, but they do not make up the entire body of those implementing the NWO. Most, like George Soros, are traitors to Judaism and yes, people like him are a synagogue of Satan, but the vast majority of Jews are decent hard-working people who just want their homeland back, their entire homeland.

I mean, if we were to hold to the notion that all Jews are evil because of the actions of a few, then we would also have to assume that all Italians are mafia members, all Irish are drunken louts, all Germans are prone to mass murder and all people of English extract are virulent covenant breakers. Given the "Protocols" theory we could also add to our list that all blacks are lazy, all Hispanics are slackers and that all Asians are prone to become communists. I think that you'll agree with me that each and every one of those statements is racist and filled with bigotry and that all statements made have no place in any civilized person with a conscience that they have to live with. However, there are members of each and every one of those races and ethnicities that subscribe to a belief that Zionists are trying to take over the Earth and that Zionists are all Jews and all Jews are Zionists.

Real Zionism:

Real Zionism is defined as anyone, Christian or Jew that recognizes the right of Jews and all Israelites to inhabit our homeland autonomously. For millennia Jews have ended Pesach (Passover) with the phrase, L'Shana Haba'ah B'Yerushalayim (Hebrew: לשנה הבאה בירושלים, lit. "Next year in Jerusalem") So in effect, Zionism has always resided within the Jewish heart. In our modern epoch, the word Zionism was born through the thoughts and writings of Theodore Herzl.

Herzl was a German Jew that pressed for a Jewish homeland. He wrote a pamphlet titled Das Judenstaat (The Jewish State).

Der Judenstaat (German, literally The Jews' State, commonly rendered as The Jewish State) is a pamphlet written by Theodor Herzl and published in February 1896 in Leipzig and Vienna by M. Breitenstein's Verlags-Buchhandlung. It is subtitled with "Versuch einer modernen Lösung der Judenfrage", "Proposal of a modern solution for the Jewish question" and originally called "Address to the Rothschilds", referring to the Rothschild family banking dynasty, as Herzl planned to deliver it as a speech to the Rothschild family. Baron Edmond de Rothschild rejected Herzl's plan feeling that it threatened Jews in the Diaspora. He also thought it would put his own settlements at risk.

It is considered one of the most important texts of early Zionism. As expressed in this book, Herzl envisioned the founding of a future independent Jewish state during the 20th century. He argued that the best way to avoid antisemitism in Europe was to create this independent Jewish state. The book was used to encourage Jews from all across Europe to purchase land in Palestine. In Der Judenstaat, Herzl noted the possibility of a Jewish state in Argentina.

Herzl popularized the term "Zionism", which was coined by Nathan Birnbaum. The nationalist movement culminated in the birth of the State of Israel in 1948, but Zionism continues to be connected with the political support of the State of Israel.
[Source: https://en.wikipedia.org/wiki/Der_Judenstaat]

Note that in the article that Herzl wanted to present his idea to Baron Edmond de Rothschild, who rejected the idea because it would impact him (Rothschild) in a negative manner and that it would impact Jews in the diaspora. Those who are "Protocols" advocates, and who blame the Rothschilds for being proponents of what the conspiratorialists call a Zionist Conspiracy is trumped here because Rothschild turned down the idea right from the start.

The article points out that Zionism is a political support movement for the State of Israel, but there is also a spiritual component to Zionism. Those who read the scriptures know that Yahweh promised several times to bring the Israelites back to their land. Christians are a split camp when it comes to the idea of Israel. Most Christians believe Yahweh's promise of returning Israel to our land, but there are those who are called Replacement Theologist's who believe that Yahweh revoked all of his promises to Israel and gave them to what they perceive to be "The Church." I think it to be ironic that they claim all of the promises, but fail to accept the penalties for idolatry and disobedience.

To sum things up, true Zionism is political and spiritual support for the existence of Israel as a valid state for the Jewish people, our ancient homeland that was given to us by Yahweh. It should also be noted, and naysayers should be referred to Yahweh who was and the original Zionist and the only one that is capable of keeping His mandate no matter what the minds of some Homo Sapiens happen to mistakenly postulate.

What is a Khazarian

The consensus of most people that believe the “Protocols” version of Zionism believe that the Jews in Europe are really Khazarian’s that came from Southern Russia, just north of modern-day Turkey. According to them, the Jews that lived in Khazaria somehow converted the nation of Khazaria to Judaism and therefore it was not Jews, but Khazarians that moved from Southern Russia and to Eastern Europe. If this were true, then European Jews would have no right to the Land of Israel since it would not be their original homeland. It’s really an ingenious delusional idea. In addition, if the Protocols of Zion were really true, then it would be a Khazarian attempt at world domination, not a Jewish one, but that aspect is deliberately overlooked, even though it is not true, nor is the bastardized definition of Zionism.

Note that the author of the picture above is probably a believer in “Protocol” theory because he has inserted a Magen David into the image over the Land of Khazaria. I only use it because it was the only good map of where Khazaria probably existed.

I will contend that there is a strong possibility that Khazaria contained many of the exiles from the Assyrian fostered diaspora of the 10 lost Tribes of Israel. It has always been my belief that the Lost Ten Tribes did come into Europe from the area that was supposedly Khazaria, but they were mixed into the population of Khazarian society and lost the identity of being Israelites over the years.

So Why Use Khazarian Over the Term Zionist?

To me, the answer to that question is quite simple. If you set aside the lunatic fanatics that believe in replacement theology you take into account that there is a sizable number of people who are ardent Zionists in the Christian Camp. As hard as it is to believe, Christians are becoming educated about delusions and heresies that are coming against Yeshua's Church and His Holy Scriptures. Like I said, there are many that identify as Zionists that believe that Israel has a right to exist and that Jews are Jews, Yahweh's Chosen People who will be rescued by Yahweh Yeshua one day and who will join with current believers to worship Yeshua as our true Mashiach. Current true Zionists do not like that they are being associated with those who oppose scripture and our view of what we think Yahweh wants us to do. However, changing a name or title seems to change people.

Let me explain what I just said. It used to be that when a woman was pregnant, she was carrying a baby, a human child that will be born with all of the aspects of a human. Toward the midpoint of the last century the term for a baby was changed to a fetus and after that what was once called a baby in the womb was classified as an unviable tissue mass. Inviability means that it would not survive outside of the womb if the child was born. I like to tell abortionists who use that term that if I put them on an airplane and brought them to the Arctic, stripped them of all of their clothing and left them with no food they would be a mass of unviable tissue too. If the terminology is changed from Baby to fetus and/or unviable tissue mass then it doesn't sound human and it is easier on the conscience for people to kill.

The same thing is true with what happened in Europe in the last century. Jews were never really accepted into society but they were always seen as being human. Enter Nazism and Evolution theory and the theory arose that Jews weren't fully human. Hitler equated Jews with being mostly ape-like, a race that had corrupted German society and humanity and a race that needed to be eliminated from Europe and the rest of the world. Seen as being less than human, animal-like, it became easy for Germans and other Europeans to incarcerate Jews, kill them and

then incinerate them in mass numbers. Again, if you make someone seem less than human the killing of such people becomes much easier.

When the Jews are reclassified as Khazars it takes away their heritage in the eyes and ears of people. If we were truly Khazars then we do not have a homeland in Israel and our inheritance becomes null and void in the eyes of those who hold the demented Khazarian theory. If it is Khazarians who are inhabiting Israel then Israel's opponents can claim that they have been invaded by a people that do not have a claim to Eretz Israel and legal precedence can be found to expel Jews from our own homeland.

We at the Delusion Resistance fight against things like what was mentioned in this article. I have noticed that the everyday church is falling deeper and deeper into a haze of delusion. Some are under the impression that they can use the Ruach Ha Kodesh as some sort of genie, others are under the impression that they can spar with Satan under their own power and still others are under the impression that the world is flat and some dare to misinterpret scripture to cater to their own beliefs. I am confident that Yahweh is able to quash people like this and make their testimony a mockery.

Just recently, I was given the news that a couple that sympathized with Palestinians and was critical of the Jews in Israel have been brought to shame because for whatever reason they decided to grossly break the law. When a person comes against Yahweh, Yahweh's scripture or Yahweh's plans they can often become insane and do the stupidest things. There are certain things that Yahweh will tolerate and in turn, he will correct someone for disobedience. There are other things that he will not tolerate and as scripture says:

For we know him that hath said, Vengeance belongeth unto me, I will recompense, saith the Lord. And again, The Lord shall judge his people. It is a fearful thing to fall into the hands of the living God. Hebrews 10:31-32

If you want a messed-up life then mess with Yahweh. If he loves you in your disobedience, he'll try to correct you and have you turn to him while you're alive. If you continue in rebellion you'll die for your sins and you will go to Torments.

About 4,000 years ago Yahweh made a promise to Abraham that he would make Abraham a great nation and that He would honor his promises to all of Abraham's descendants. As decades, centuries and millennia passed by Yahweh renewed his promises time and time

again, promising that Abraham's descendants through Isaac would live in the Promised Land. Yes, he would scatter them, but he would bring them back. Yahweh never mentioned the Khazars nor did he mention that he would forsake Israel and replace them with Palestinians. No, Yahweh knows what he is doing and his Word is true. It is men that pervert Yahweh's Word and try to preempt Yahweh's promises. Israel is a viable nation and the Jews are Yehudim, not Khazars. Soon all of Israel will go to Israel and a great revival will occur and thus will the fulfilling of the words of the prophets come to pass and all of Israel will be saved.
