

## A GEMATRIA STUDY OF THE WORD

### COVID-19

By: David Ben Ya'akov

Was just fooling around tonight and decided to put COVID-19 into the Gematria calculator. It yielded some interesting results. The calculator gives three renderings, Hebrew Word Numbers, English Word Numbers, and Common Word Numbers which often mirror the English numbers. I look at the Hebrew word numbers and almost always find parallels of word meanings to subject matters.

When I look at things like this, I look at the first ten or twelve because they are probably the most relevant. Please understand that this is highly speculative, nonetheless interesting. Here is what the yield was

**Read the transcript** – This may refer to reading Qanon posts.

**Its zodiac** – Covid 19 started in China in November of 2019. The Zodiac signs for November are Scorpio (Scorpion or poison) and Sagittarius (The Hunter). Is COVID-19 a poison (Virus) that is sent out to hunt a specific population or people?

**Vechain** – As far as I can ascertain this is a cryptic currency that is secretly used. Maybe this is how Obama funded the Chinese labs?

**Figure it out** – Seemingly a command to search for the truth. Again, is this a suggestion to refer back to Qanon?

**The manifestation of Babalon** – Self-explanatory – Some might say that the spelling of Babylon is incorrect, however, in antiquity and some alphabets Babylon is spelled Babalon.

**Prince Harry** – Been in the news. Has left Royal Court – Maybe because he knows who they are?

**Da Vinci** – Quote: In rivers, the water that you touch is the last of what has passed and the first of that which comes; so with present time.

**Trump Blood Moon** - “June 14, 1946, – President Trump was born on a Blood Moon 700 days before Israel became a nation. “And he just so happens to be the very President who decides to declare Jerusalem the capital of Israel during the 70th anniversary of Israel as a nation.”

**Satan Moloch Thaumiel** – We know Satan to mean deceiver, liar, and such. Moloch defines as Moloch (also Molech, Mollok, Milcom, or Malcam) as the biblical name of a Canaanite god associated with child sacrifice, through fire or war. Thaumiel is interesting. Its definition is intricate but understandable if one reads it over a few times:

*Thaumiel: Thaumiel (twins of God) is the name of one of the Qliphoth in the Kabbalah, the shadow side of the Kabbalistic Tree of Life. It is the shadow of the Sephirah Keter (the crown). While Keter is concerned with the unity of God, Thaumiel represents the dual contending forces, struggling, and it is represented by 2 giant heads with bat-like wings.*

*The Qliphoth are not the opposite of the Sephirot, but the shadow. They are the chaotic forces that are unleashed when one of the Sephirot is not in balance with the others.*

*Therefore, although Keter is concerned with unity, implicit in its existence is the concept of duality. It is the first emanation from the Ein Sof, the point of consciousness that crystallises out of the vast emptiness. Without the forces of the other sephiroth to balance it, specifically Malkuth below, it would exist as something apart from the Ein Sof, God in his totality. However, since all the paradoxical and contending forces unleashed through Keter find their eventual rest and resolution in Malkuth, balance and the unity of God are maintained.*

*The ruler of Thaumiel is Satan. Satan in legend was the chief of the angels, holding a position similar to that of Kether. According to Islamic legend, after God created man, Satan and his angels refused to bow down before Adam. Ralph Austin[disambiguation needed] describes that in the thought of the Islamic mystic, Ibn Arabi, the diabolical principle is that "which resists the Self-Realizing urge to create the own-other object (creation) and insists in the sole right of pure spirit and transcendence, this being the reason for Satan's refusal to obey God's command to prostrate himself to Adam, from jealousy for the integrity of pure spirit.". Seeing this in a kabbalistic way, this means the refusal of Kether, the pure spirit, to find completion and self-realisation through the act of emanation and creation, terminating in Malkuth. Satan therefore represents spiritual pride and arrogance.*

*"Second, it is also that principle which insists on the separate reality of cosmic life and substance and which denies all primacy to the Spirit. In other words, it is that principle which would seek to insist on the separate reality of either pole, at the expense of the*

*other, and thus to impair the original wholeness of the divine experience as the Reality by trying to sever the all-important link between "own" and "other" and consign each to mutually exclusive isolation in absurdity".[2] Which neatly fits with the kabbalistic description of Satan as the master of 'The Dual Contending Forces'.*

**DNA Instruction** – probably refers to the COVID virus having specific DNA instructions, like targeting certain populations, blood types, or such.

**District of Columbia** – It's coming out that the Obama administration funded research in Chinese labs, including virology labs.

**S Dishon Set Reset** – Dishon was a descendant of Esau. His name means "buffalo." His firstborn was named Uz, which could mean "replacement." Uz was a province where Job supposedly lived. His life was reset. Interesting too is that the letter "S" is the 19<sup>th</sup> letter of the English alphabet. Covid-19 can also be called Covid-S

**Spiritual Prince** – A reference to Satan, the "Prince of The Power of The Air." Interestingly, they are saying that the COVID-19 virus spread through aerosolizing in the air, and afterward it "falls to earth," or surfaces. I know it's a stretch, but one worth considering.

**divoc** – One person on the internet came up with the following idea: Has anyone ever thought that there's a hidden message from God about the COVID-19 outbreak? Reverse COVID-19, it becomes 91-DIVOC: 91-Psalm 91, D–destroy, I–influenza, V–virus, O–outbreak, C–completely. Recite Psalm 91 with all your might and spiritual strength. Below is Psalm 91:

*1 He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty.*

*2 I will say of the LORD, He is my refuge and my fortress: my God; in him will I trust.*

*3 Surely he shall deliver thee from the snare of the fowler, and from the noisome pestilence.*

*4 He shall cover thee with his feathers, and under his wings shalt thou trust: his truth shall be thy shield and buckler.*

*5 Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day;*

*6 Nor for the pestilence that walketh in darkness; nor for the destruction that wasteth at noonday.*

*7 A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee.*

*8 Only with thine eyes shalt thou behold and see the reward of the wicked.*

*9 Because thou hast made the LORD, which is my refuge, even the most High, thy habitation;*

*10 There shall no evil befall thee, neither shall any plague come nigh thy dwelling.*

*11 For he shall give his angels charge over thee, to keep thee in all thy ways.*

*12 They shall bear thee up in their hands, lest thou dash thy foot against a stone.*

*13 Thou shalt tread upon the lion and adder: the young lion and the dragon shalt thou trample under feet.*

*14 Because he hath set his love upon me, therefore will I deliver him: I will set him on high, because he hath known my name.*

*15 He shall call upon me, and I will answer him: I will be with him in trouble; I will deliver him, and honour him.*

*16 With long life will I satisfy him, and shew him my salvation.*

**Vape** – There are two definitions for this word. The first is what contemporaries know as an act of breathing vapor through a heated pipe smoking machine. The second however is a shortened term for a vaporizer. We know that COVID-19 is spread through the vaporization of particles through human exhalation.
