

JOSEPH ROBINETTE BIDEN JUNIOR

A Gematria Profile

By David Ben Ya'akov

Tuscvtwot – I spent three days of constant internet research before I could figure out what this means. To be honest, I do not know what the acronym stands for, but if you place it into the Gematria calculator it yields some incredible results when you look, not at the Hebrew, but the English Gematria and the Simple Gematria. In the English Gematria, it yields a score of 978 and in the simple, it yields a score of 163. In the Simple Gematria the values are placed on the letters by rank, in other words, A=1, B=2, and so on until you get to the letter Z which equals 26. In the English Gematria, A=6, B=12, and so on, so that every letter is six more than the one before.

Christopher Van Wie Ingham – There is no correlation between this name and Joseph Biden. My best guess is that some guy with this name plugged his name into the Gematria calculator and it saved the name, which seems to be a common occurrence.

What is the Tablets of Destiny – This is an ancient tablet (Sumerian legend says) that is explained thusly: In Mesopotamian mythology, the Tablet of Destinies (Sumerian: *dub namtarra*; Akkadian: *ṭup šīmātu*, *ṭuppi šīmāti*) was envisaged as a clay tablet inscribed with cuneiform writing, also impressed with cylinder seals, which, as a permanent legal document, conferred upon the god Enlil his supreme authority as ruler of the universe.

In the Sumerian poem *Ninurta and the Turtle*, it is the god Enki, rather than Enlil, who holds the tablet. Both this poem and the Akkadian Anzû poem share concern of the theft of the tablet by the bird Imdugud (Sumerian) or Anzû (Akkadian). Supposedly, whoever possessed the tablet ruled the universe. In the Babylonian *Enuma Elish*, Tiamat bestows this tablet on Kingu and gives him command of her army. Marduk, the chosen champion of the gods, then fights and destroys Tiamat and her army. Marduk reclaims the Tablet of Destinies for himself, thereby strengthening his rule among the gods.

I am The Queen of The Matrix Sitting Upon Her Throne – This is the Woman Who Rides the Beast, otherwise known as the Whore of Babylon that is mentioned in Revelation. Biden is a Deep State operative and a puppet of the New World Order so it stands to reason that he is part of the Beast System and is either knowingly or unknowingly a worshipper of The Whore.

Isis is the Mother and Fertility Goddess and Goddess of Magic and Healing – This meaning strongly couples with the meaning above. Isis is the Greek name for the Egyptian goddess called Aset. Her name means sitting on the throne. She is also referred to as the “Queen of Heaven.” Isis is also equated with the goddess that the Canaanites worshipped and referred to in the Bible as Ishtar or the Ashtaroth. It is where the Christian world gets the word “Easter” from. The same equation can be made regarding Joe Biden as was made with the previous personage.

This is Ieseos The Prophet from Nazareth In Galilee – The name in the title is not a misspelling. The name Jesus is a Latinized form of the Greek word Ieseos. So, some might argue that this asserts that Joe Biden worships Jesus? Looking at the phrase, it is clear that it asserts that Jesus is a Prophet from Nazareth in Galilee. This was the approach that some Greek (or Latin) philosophers took during the first two or three centuries after the death and Resurrection of Jesus. Also, it is the title that Islam ascribes unto Jesus. They see him as a prophet, even a

great prophet, but not as the Son of God or God Incarnate. Seeing that Joe Biden served under Obama, a known Muslim, it is quite possible that, although he was brought up Roman Catholic, he has taken on Islam as a belief system and only sees Jesus as a great prophet, and nothing else.

Lindsey Vandeweghe – She is a famous tennis player and I found no connection with Joe Biden

Question I Will the Righteous Kill – Some might assert that “Righteous Kill” was a movie that bombed right out of Hollywood,” and they would be right. However, I want to take this to a much higher “Righteous Kill,” and the profound meaning that it has. We know that killing is never righteous. Yes, it can be condoned for the right reasons, but it is never righteous, except for one righteous kill. Simply put, Jesus was the epitome of righteousness, and he was killed. Yes, he laid down his life, but scripture says that is the Lamb of God, Slain from The Foundation of The World. Slain means killed. So, if we look at the three referenced above, and assert that Joe Biden worships ancient false gods, is probably a Muslim Manchurian Candidate and such, we can assert that like all Muslims, he doesn’t see the sacrifice of Jesus as being a righteous slaying thus he questions it.

Donald J. Trump the Wall – Does Biden play partisan politics, hell yes. In an article, written by a CNN newsperson, on May 10, 2019, the report says, *“Speaking to a South Carolina rotary club in November 2006, Biden touted his support for the Secure Fence Act -- a bill that authorized 700 miles of double-layered fence on the border through more than a billion dollars in appropriations. The bill was also supported by then-Sens. Barack Obama and Hillary Clinton. CNN's KFile reviewed the video, which had been posted on YouTube at the time.”* So, Biden’s berating of Trump about a border wall with Mexico is all politics and like usual, he speaks what he thinks people at any one time and place want to hear.

Yaldabaoth Demiurge YHWH – According to Gnosticism, Yaldabaoth is the name of the Demiurge (false God) that is called YHVH (or Lord) in the Old Testament. If this is being associated with Joe Biden, and some of the prior associations are in line with this one, Joe Biden probably thinks that The Lord of Old Testament fame is a false God.

A Capitalism Very Evil – Taking into account, and by his own words, Joe Biden has proven that he is a socialist then it makes every sense that he would regard Capitalism as being evil.

Tribe of Dan One Hundred and Forty-Four Thousand – This is interesting because there are many stories of the Tribe of Dan traveling to Europe. After all, the Danish people claim heritage to being from the Tribe of Dan. The thing is that the Tribe of Dan has two icons, one being a Serpent, and the other being an Eagle. If the Danites did travel to Ireland it was probably those Danites that bore the serpent icon, thus making them the evil Danites, so to speak, and the Eagle Danites were the more righteous branch if that makes sense. Joe Biden is very proud of being Irish and makes no secret of that pride. If the “same but opposite” theory holds then the Danites that went to Ireland would try to initiate or work themselves into a separate part of the 144,000 in revelation, or they would try to initiate a separate 144,000 men adding those of serpent seed to their numbers.

I Live in A City That Cherishes and Defends Satan – He lives in Washington, D.C., so this one is a no-brainer. His home is in Wilmington, Delaware which to my knowledge has no reputation for gross satanic activity.

Anthony Pavlapovic – No Connection.

King and Bride of New Jerusalem – It is common knowledge that Jesus is the King of The New Jerusalem. The Bible describes the New Jerusalem as coming down to earth, dressed as a

bride is dressed for her husband. I contend that Joe Biden will make war with the Saints if he ever comes to power in any sort of fashion. He denies the King, that is quite clear, maybe because he is drunk with power and desires to usurp the kingship of Jesus. Just like Herod would have no other king this man, Biden would have no other authority over him.

Narcissist Projecting His Actions on Innocent – This is a very descriptive term for Joe Biden. He has shown more than once that he prefers the company of little boys and girls and many people assert, and rightfully so, that he is a pedophile. He is a narcissist by nature and his fruit bears that fact.

Red Rhythmic Skywalker – Okay, are you ready for some New Age psychobabble? According to what I have found in research, the Red Rhythmic Skywalker is a Galactic Mayan Dreamspell Signature that can be achieved by the following: “The Red Rhythmic Skywalker, Galactic Mayan Dreamspell Signature of legendary Film Maker/writer Quentin Tarantino, comes with the message today that to truly achieve the state of cosmic Artist in our own lives, we must evolve our capacity to identify those events in our life that were filled with suffering as the very paints themselves with which we are blessed to create new perceptions and belief systems to share with the greater planetary community!” In other words, you take your sorrows from the past and use them as the paint to create new thoughts about yourself so that you can benefit everyone else on Earth. In other words, you can become a god.

World Destruction From Child Abuse – Earlier this year the Red Pill world was rocked by the revelation that the US Military was going into underground caverns to free human sex slaves that were abducted and/or bred in dark places to be used as sexual toys for the elites and/or food for the Elites and their fallen angel puppeteers. Rumors were that the Naval Hospital ships that pulled into Los Angeles and New York were used to usher the victims from the scene when they

were rescued and that Franklin Graham's hospital beds were set up in Central Park to tend to the victims. Note that about this time is when the leftists started to exhibit strangeness, maybe because their supply of Adrenochrome had dried up. Also, rumors had it that the Adrenochrome that came from China was tainted with COVID-19 because it was manufactured in Wuhan, where COVID originated.

A Thresher Separates the Wheat from The Chaff – This is applicable in so many ways. But for the sake of our research here, let's just say that the wheat is represented by the Red Pill people, and the chaff is the Blue Pill people. We can also compare it to separating the wheat from the tares.

I would Kill Myself If I Had To Do That – There are those of us that think that the evil elites in this world are being given an option by Trump and the Anons to either risk a trial and thereafter go down in history as evil, or they are given the option of taking themselves out (much like Hitler did with Erwin Rommel). Rumor has it that this is what happened to George H.W. Bush and John McCain.

Kmkhkvvingiookyu – Absolutely no idea how this would correspond. Even search engines asked if I had correct spelling and said that there weren't any results. If you are an ANON and know, please write to me.

The Oldest Calendar in China Claims That the Sun Rising from The North – Okay, so this one is just strange, but let's look at it and it might make sense. Jim Wilhelmsen, myself, and Erik Smith all believe that the Earth is on a 23-degree tilt which is a lock mechanism that keeps the fallen angels of Genesis Chapter Six in prison. We speculate that scientists are using CERN for many things, but one of those things might be to place the earth in a zero-degree spin to open that

lock and release those fallen angels. Are you still with me? What interests me about this numeric equivalent is that Genesis talks about Cain going east of Eden to live and some equate that is where the entrance to the hollow earth might be. There is evidence that the entrance is in Antarctica. But Antarctica is south of the Middle East, not east of it. What if the Chinese calendar is right? If for some reason CERN is used to right the earth, but the process goes haywire then it could place the earth into a 90-degree tilt. Because of the dynamics of the earth's rotation, it would be less traumatic to life on earth and the Earth itself if the north tilted to the right since the spin is from left to right. It would work out better kinetically speaking. IF that were to happen, the sun would rise in the east, over what we now call the north pole. It would melt the ice at the poles and could open up the lock that holds the angel's captive. Also, we don't know what spin the earth had before the flood of Noah's time, it could have been 90 degrees from the present spin and tilt.

I found an article where Joe Biden went hastily because he recalls memories of being arrested with Nelson Mandela in South Africa back in the 1970s. This concern can be found in reliable news sources, check it out for yourself. But what if Joe went to CERN because he was concerned about a 90-degree earth tilt along with his thoughts about the Mandela Effect. Just for kicks, if you have Google Earth, place Antarctica on the right-side center and the deepest part of the Arctic Sea on the left-side center. Doing so places Israel almost on Equator and Antarctica directly due East of Israel, by several thousand miles of course. Could Antarctica be the Land of Nod?

The End of Mankind Will Not be Pretty – Possibly a reference to the fact that the Leftists appear to want scorch and burn policy for America and the world if they cannot take over either, much like the Antichrist will leave the world almost desolate before the return of Jesus Christ.

My Brothers Problem with Me Is – It appears to be common knowledge that Biden’s family profits off of Joe’s name. If his brothers have any problem with him it will be that his foolishness will not be good for business when he loses the election Joe Biden’s name will be a liability, not a benefit.

Ban Mosque at May Ten MMXVII – Nothing could be found either pro or con about Joe Biden’s involvement in banning Mosques in 2017, or his protests thereof. It could be noted that in 2017 in several European nation’s restrictions were placed on the building of new mosques or the erection of minarets.

Consume Your Power – Joe Biden is on record stating that the United States uses more power than anywhere else on earth and that we need to conserve more power to be kind to the Earth and its population.

Nephilium Are at War SJD – First off, Nephilim is spelled wrong. Second, the three references that I find for SJD are for a legal degree, Los Cabos Airport in Mexico and some genetically inherited disease of the nervous system. This entry is bupkis.

Too Much Jesus Juice – Wow, I might have to have a degree of respect for Joe Biden. Joe says that he does not drink alcohol because alcoholism runs in his family. An Irishman that doesn’t drink? Now I’ve seen and heard everything.

UFO Contact Twenty Ten – There is no evidence that Biden had a UFO Experience in 2010. The subject is often avoided by Biden. One has to ask if he knows something, he knows nothing, or he’s had an encounter that he doesn’t want to talk about.

Write FU to Viacom – No data available.

You Can See The Red Dragon in Wales – I find this dubious because they obtained their result by misspelling the word “see,” by adding an extra “e.” This is bupkis.

You Have Arrived – This could have a meaning that he is finally getting to run for president. It does not mean that he’s going any farther.

Divide Caterpillars from Your Genes – Caterpillars and Butterflies have the same gene count. Caterpillars possess the genes to give them butterflies but those genes are not turned on while they are larval. The phrase could mean that he needs to realize that he’s not larval anymore but has expanded his mission in life. It is a fact that caterpillars live longer life spans than butterflies, so maybe he’s not long for this world. It could also mean that he is a fallen angel in human form. Perhaps soon he will morph into his angelic form and leave his lower estate. Too many assumptions can be made from this, including that maybe he’s an insectoid/human hybrid?

Whatever Is Pure – This phrase is an antithesis to who Biden is. He’s a prolific liar, a leftist, is friends with traitors and is a traitor himself and he’s a pedophile. He’s a hero to the blue pill people and a poster child for the Matrix.

As I mentioned earlier, I was stymied about the entry Tuscvtwot which came up in the results. Placing this result in the Gematria Calculator yielded the following result in the English and Simple Gematria columns. I explained these two Gematria styles at the top of this document.

Make America Great Again – The theme phrase for Donald Trump and the ANON movement. This is the antithesis of the hopes and aspirations of the socialist Joe Biden.

Barack Hussein Obama – The usurper. The past president is attempting to conduct a soft coup against Donald Trump.

Invisible Enemy – Often used by Trump to describe things like the COVID-19 virus but also a code word for members of the Deep State, shadow government, its players, and its leaders.

The Lord on Earth – I believe refers to the Church, the remnant of true believers in Jesus that are a stumbling block to Satan and his Deep State operatives. They will be persecuted under a Biden administration.

Jeffrey Epstein – Noted crook and pedophile, rumored to have committed suicide. Possibly being held in protective custody by White Hats to give states evidence against Deep State operatives and pedophile networks around the world. His testimony will be harmful to a Biden Administration.

God Is Here Be Careful – A warning to the Deep State and an admonition to God's Church not to fall into the ways of this world and the Deep State.

The Moon Goddess – Also known as Artemis, Cynthia, Diana, and various other names. Probably a warning that the elites and their occult consorts worship the moon and sacrifice during the full moon.

Quentin Coleman – The name of a numerologist Christian that researches the number 666.

Alice In Wonderland – Compare with the Matrix where an illustration is made that the real world is an illusion and the Matrix is the world that in reality exists.

Twenty Three – There are many variables. However, every human has 23 chromosomes from each parent, together to equal 46. A human hybrid would only have 23 human chromosomes. It is interesting that when 23 is turned into a fraction $\frac{23}{100}$ it equates to 0.23 in decimal form, and if you multiply 23×3 you come up with the number 69 which is the number of men. Another

interesting fact is that $2/3$ in its next higher form $4/6$ is also 0.666 in decimal form and as a whole number of 46 equals the number of chromosomes of human beings, that being 46. So where does this leave us where Joe Biden is concerned? Well, as asserted above, perhaps Biden is some sort of Nephilim Hybrid, or has had his DNA manipulated to have things added? It could be something that will happen on the 23rd day of any month in the future, or maybe in the past? It could be that something will happen to Joe Biden in 2023. We will have to wait on this one if it is pertinent at all.

The Lord of Aliens – This is a reference to Lucifer, the fallen Cherub, also known as Satan who led the rebellion against God. We have proved that Aliens are not space brothers, but are fallen angels in the guise of aliens to mold themselves to the modern narrative. A look back at prior presidents reveals that many of them have broached the subject of UFO's whether seriously or mockingly. Biden has remained strangely quiet about the subject. Perhaps he knows that his mental health has come into question (dementia) and the subject is too controversial for him to mention because of that, but Biden hasn't always had dementia. He has had brain issues in the past and probably does have damage to parts of his brain, and perhaps the theory above works for that too, but why, even when he was younger has he never talked about UFOs. Perhaps he worships the Lord of The Aliens? Maybe he has been instructed that the subject is going to be revealed sometime at a future date and he's just biding (no pun intended) his time?

All Seeing Eye Ray – Joe Biden has attributes that make one think that he will not advance to the office of President of The United States. First, he's not a member of any Masonic order that I can find. Second, he's promising to have a female vice-presidential candidate to run with him, something that the Framers of the country and Illuminists do not like. But then you have to look at the fact that he seems to be a Teflon Donned candidate. All allegations against him, whether it

be that he is involved with the Ukraine Oil Scandal, or the fact that he's a profuse pedophile are all ignored, which makes one take note that the Illuminati-controlled mass media is looking the other way. I do believe that toward the end of the race, Biden will either bow out, allowing Hillary Clinton to jump in as a sort of Feminazi shoo-in or he will pick a male running mate. There will come a time when his Illuminati handlers will step in and take control of his candidacy in an attempt to defeat Donald Trump, but even the Illuminati with all of their Satanic strings probably won't be able to pull this caper off. Oh, and I almost forgot, the Ray at the end of the All-Seeing Eye phrase symbolized the Illuminati practice of worshipping the Sun and it is on all of their symbols.

Paradox of Cannabis – This paradox is very interesting and plays well into the Joe Biden playbook. The main constituent of Cannabis is THC, short for Tetra-hydro-cannabinol. It is the compound that gets you high when you smoke or ingest marijuana. This is not to be confused with CBD, another compound that has actual healing properties. What many people don't know is that your body produces DMT within your Pineal Gland, a gland located at the bottom of your brain and directly in the center. It is often called the Third Eye but people in the New Age and Eastern religions. When DMT is produced in large amounts, or when it is ingested or injected into the body it always leads to a hallucinogenic effect. Many people experience strange creatures while in this state, creatures that eerily similar to the beings that UFO abductees see when they are taken away in the middle of the night. THC, especially in large doses produces the same hallucinogenic state and if it is abused by using large doses for long periods, can lead to what experts called "marijuana-induced psychosis," which can be an irreversible state where the user has to be institutionalized because they become schizophrenic or schizoaffective with other disorders. So, the paradox is that Cannabis can induce in you effects that your body can already

induce, thus creating an additive effect that leads to conditions that cannot be corrected. With the use of Marijuana being legalized in many states we now have a condition where people are walking around in a perpetual pseudo-reality where they do not think straight, and will gladly vote for someone like Joe Biden, a candidate that promises free this and free that. It created a constituency that is all doped up and cannot think correctly, something akin to a psychotic zombie apocalypse.

Tyson Fury – This name should not be here. The real name of this individual is Tyson Luke Fury, so leaving out the middle name robs him of his real numerical value. People should think about this before entering names into Gematria Calculators.

The Archangel Raphael – According to tradition, Raphael is one of the higher Archangels assigned to watch over mankind and one of his missions is healing people. He is also the angel that opened up a doorway in the desert and cast the fallen angel Azazel into that pit to be locked up until the end-time when he will be cast into the Lake of Fire. After reading earlier about Biden's trip to CERN a few years ago I have to assume that he knows about the interdimensional capability of CERN to open up universal strings. Perhaps Biden's trip to CERN was multipurpose, knowing that he was slowly slipping into dementia and desiring healing. Biden of course would not know that calling up the dead and multidimensional beings is prohibited by God would have no trouble seeking help that could only get him into more trouble than he purposed in the first place. Perhaps Biden knows about the coming 90-degree earth pole shift and is preparing for Azazel to reappear to deceive mankind one last time?

Five G Frequency – If you have listened to any of our other radio shows you know that the introduction of 5G technology is going to bring many sorrows to mankind. I have produced some good proof that 5G probably switches on the COVID-19 virus, seeing that places that have had

the worse mortality rates also have larger 5G connectivity. Joe Biden probably loves 5G technology, because if anything is going to cause Trump trouble it will be a second wave of COVID-19 to arrive right around election time in November. We remember however that God prevails and He determines what happens this November.

God Seals Foreheads – We looked earlier at how there is a possibility that Satan will perform a “same but opposite” sealing of 144,000 serpent seed individuals to mimic God’s sealing of the foreheads of the 144,000 people that he has chosen as last days evangelists. Is Joe Biden one of the sealed serpent seed people? Probably. But he will be no match for God’s sealed 144,000 believers.

Jesus Is Coming – Obvious, but there are so many that are not ready.

The Lords Hosts – The Lords Hosts is another name for YHVH’s Army. Hosts always denote fighting forces and it always denotes angels, especially in the Tanakh (Old Testament). However, in the time since Jesus’ death and resurrection his believers have been recruited into this army. In Ephesian’s Chapter Six, we are told to put on our armor, all items that can be used for offensive purposes, but the most part in a defensive fashion. People like Joe Biden serve the “god of Fortresses,” the unseen army of evil hosts. While we have the authority to fight spiritually, using prayer and Jesus’ name, we let the angels fight the unseen forces and join with them to fight alongside them.

The Seventh Seal – I feel that the best way to explain this is to place the scripture of the Seventh Seal here for all to read. This is a proclamation; the gauntlet has been cast down and now the warfare begins. It goes very well with the preceding phrase above:

Revelation 6:12-17 – The Sixth Seal – The Proclamation of Battle:

12 And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood;

13 And the stars of the heavens fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind.

14 And the heavens departed as a scroll when it is rolled together; and every mountain and island were moved out of their places.

15 And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains;

16 And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb:

17 For the great day of his wrath is come; and who shall be able to stand?

Revelation 8:1-6 – The Seventh Seal

1 And when he had opened the seventh seal, there was silence in heaven about the space of half an hour.

2 And I saw the seven angels which stood before God; and to them were given seven trumpets.

3 And another angel came and stood at the altar, having a golden censer; and there was given unto him much incense, that he should offer [it] with the prayers of all saints upon the golden altar which was before the throne.

4 And the smoke of the incense, [which came] with the prayers of the saints, ascended up before God out of the angel's hand.

5 And the angel took the censer, and filled it with fire of the altar, and cast [it] into the earth: and there were voices, and thunderings, and lightnings, and an earthquake.

6 And the seven angels which had the seven trumpets prepared themselves to sound.

Notice that the angels are given 7 trumpets that they will soon sound. Paul tells us that we will be taken to be with YHVH Yeshua at the 7th Trumpet, not before then. After the 7th Trumpet, God makes life hell on Earth for the people that took the Mark of The Beast.

Last Day on Earth – This could be a dire warning for Joe Biden, that he will experience the last day of his life on earth soon. It could also mean that the Church will experience its last day on earth soon.

Box of Chocolates – When I saw this, I immediately thought of the movie Forrest Gump. In the movie, the character is heard to repeat several times, “life is like a box of chocolates, you never know what you’re gonna get.” We hear something similar from Jesus who told us to just worry about today and not for tomorrow because today has enough troubles of its own. We never know what tomorrow brings, so just tend to today, especially in these days of perplexity.

USNS Comfort – This is a US Naval hospital ship. Recently it was docked in New York City, where it is rumored to have taken on victims of the Deep State that were kept enslaved for sex slave purposes and to procure adrenochrome for the Elites. The ship is currently at sea off the East Coast of the United States. Incidentally, about the time that the ship left the dock, the tent hospital supplied by Samaritan’s Purse (Franklin Graham) broke down camp and departed.

Coincidence? I think not.

A True Prophet – We are told in the book of the Prophet Amos the ministry of a true prophet. True prophets live today but are few and far between. In our current time, three true Prophets are being heeded, Mark Taylor, Kim Clement, and David Wilkerson. Research these three men for more information.

Eyes Wide Shut – Aside from being the title of a movie by Stanley Kubrick (his last one by the way), it is a metaphor that means: It means a person refuses to see something in plain view, because of preconceived notions of what this something should look like. This frequently happens to naïve people. Many of us further this definition by equating it with the Red Pill and Blue Pill symbology in the movie The Matrix, where taking the red pill lets you see reality and the blue pill lets you keep seeing what those in power only want you to know. In our society, with conditions being the way that they currently are, there is a separation of people underway, those who want to know what is going on, and those who are content with what they are told to do.

Fourty Two – At first, I wanted to dismiss this because the number “fourty,” was misspelled. I learned that it is the antiquated way of writing the number. The number forty-two fits with prophetic scripture and is defined as:

The number 42 appears in various contexts in Christianity. There are 42 generations (names) in the Gospel of Matthew's version of the Genealogy of Jesus; it is prophesied that for 42 months the Beast will hold dominion over the Earth (Revelation 13:5); 42 men of Beth-azmaveth were counted in the census of men of Israel upon return from exile (Ezra 2:24); God sent bears to maul 42 of the teenage boys who mocked Elisha for his baldness (2 Kings 2:23), etc.

Jehova In My Dream – The proper rendering of the Tetragrammaton of God’s name isn’t Jehova or Jehovah as there is no letter “J” in the Hebrew alphabet. The proper name is Yod Heh Vav Heh, or YHVH or if you want to say Yahveh it is acceptable. Spelling the name of the Almighty wrong is the first bad thing in this phrase. The second is that we don’t know who had the dream. The major disqualifier is a misspelling, so it cannot be used for proper enumeration.

Full Armor of God – Again we have a mention of preparing for battle as if a war is imminent. As I mentioned earlier and on other blog pages, the Armor of God is both offensive and defensive. The articles of the armor are spiritual, meaning that they are to be used spiritually in a spiritual war.

April Showers – This is in a way a portend that time is short. April showers often come at a time when fresh shoots are starting to come out of the ground and flowers are on the fruit trees. It is a time of Spring, a time of fresh growth and promise of a good growing season. The summer can sometimes present with unseasonably hot days that cause blooms to fade and fruit to fall from the tree. This phrase to me is a warning that when the showers come and all seems right that times will soon turn bad.

No More Waiting – This phrase seems to couple with the one before it. The time for the end to come has arrived bringing us closer to redemption, but not before hard times try us with the heat of persecution.

And the Winner Is – Well, we have to think if we are looking at an immediate winner, that is, the winner of a battle, or the ultimate winner of the war. In the Winter of 1944, the 101st Airborne was hunkered down in a small section of France, surrounded by German forces on all sides. They thought that they had seen their last days. What they didn’t know is that General

Patton had diverted part of his army from the south and was coming to rescue them. For them, they thought they lost the battle, but many of them marched forth into Germany, which surrendered the following May.

Happiness Begins – This is sort of an ambiguous term seeing that there are times of temporal happiness and a time of eternal happiness. Some believe that sometime during the presidency of Trump there might be a time of happiness as America’s enemies are crushed beneath his feet, and I don’t discount that will happen. What the phrase could mean is that the time that will usher in the beginning of happiness is approaching, but that it will be preceded by a time of tribulation and sorrow, with the ultimate ending being ultimate happiness with the return of Yeshua.

Fallen Angel Lucifer – Also known by his true name, Satan, the fallen Cherub that desires to war with YHVH in some deluded notion that he will win the war by defeating his maker. Those who worship him worship him as Lucifer while those who he opposes and who fight his effort know him as Satan, the usurper.

Saturn Loses - Saturn, Latin Saturnus, in Roman religion, the god of sowing or seed. The Romans equated him with the Greek agricultural deity Cronus. Interestingly, Saturn is associated with Cronus. This word is where we get our word for “time.” There are those of us who have read Revelation that know that for a short period, YHVH will suspend “time,” just before the blowing of the 7th Trumpet. That in effect, time will lose, or those trying to manipulate time will not be able to proceed. Also, at the end of the Millennial Reign of Messiah, a new Heaven and new Earth will be created and time will not exist anymore, so Saturn will lose again.

Are You With Me – A question that is being asked by the forces of evil and the forces of Good? Recently, Biden asked this question in the same words. The answer, NO. At the same time,

YHVH is asking people, “are you with ME?” The time for indecision is over and you have to choose one camp or the other.
