

# SO, WHAT IS MASONRY?

My dad James Ruffino, before his death compiled quite a deal of information about Masonry. He became interested in Masonry when someone tried to get him to join the order. He didn't join because he didn't feel well about Masonry. At that time, he really didn't know why he felt that way. Later, when my dad became a Christian, he studied about it and realized why he never had the urge to get into the organization. Below I will document what he found.

At first, I would like add a letter by a man named Jim Shaw. My dad didn't know Jim, but was impressed enough by his letter to document it. I found out today that Jim Shaw died in 1997. So, since I am not able to contact Mr. Shaw, I would like to honor him by including his letter anyway.

*Dear Friend,*

*Membership in the Masonic Lodge has in many cases become a family tradition, with young men often joining because their fathers and grandfathers belong. Because of their admiration for certain friends or relatives, these men join the Lodge without hesitation, certain that the Order is based on noble aspirations. This was the case with me. From the time I was a little boy, my mother encouraged me to become a Mason some day like my uncle whom she greatly admired. Her impression of Freemasonry was that of a club where good men met to plan on helping those in need.*

*When I grew up, I married a fine woman who was a member of the Eastern Star and whose father was a Mason. Although her father would never talk to me about the Lodge, I was nevertheless proud of him. Surrounded by people I loved who were Masons, I finally decided to join the lodge myself.*

*Upon applying for membership in Indianapolis, I received a letter from the Lodge within two weeks telling me I had been accepted. I was instructed to be present at the Lodge at 6:30 p.m. on a particular day to receive my first degree. When the time came, I went to the Lodge and paid my dues for the first, three degrees after which I was told to follow a man who they said was the Senior Steward. He took me to the Preparation Room where he told me to remove my clothes and put on a pair of white pants (like pajama pants) and a white jacket. Before long, a man referred to as the Junior Deacon came in and told me to follow him. He took me to a door and put a blindfold on me. He also rolled up the left leg of my pants and turned back the collar of my shirt exposing my left breast. Being hoodwinked, I could not see, but I could sure feel! Something hit my left breast (it hurt). A man's voice said, "Jim Shaw, you are received into this Lodge on the sharp points of the compass, which (and he jabbed me again) is to teach you never to reveal any of the secrets of an Eternal Apprentice Mason to anyone unless he be a Brother Mason.*

*I had come to the Lodge that evening expecting merely to be told what a Mason was supposed to do. However, by the end of the ceremony I had become disgusted. With it was over, my friend told me it was something that all Masons had to endure; so I put it out of my mind.*

*After one year I was appointed Senior Deacon. This was a big jump for me as I had bypassed three chairs. I had told the Worshipful Master that I did not want to be a 'chair warmer' but wanted to be of service to the Lodge and go through all the chairs. I also joined the Scottish Rite, and had become Prelate in the Lodge of Perfection, studying for Master of the 4th degree.*

*About this time I received word from an old Army friend encouraging my wife and I to move to Florida where he was living. I didn't want to leave my job with the Post Office, but my friend told me he could get me a Civil Service job in Florida. My wife loved the idea of living there. So between the two of them begging me, I finally agreed to make the move. My Lodge membership was transferred from Indianapolis (which belonged to the Northern Jurisdiction) to my new Lodge in Florida (which belonged to the Southern Jurisdiction). Although the Ritual between the two jurisdictions varies somewhat, I found that the essence of the Lodges was still the same.*

*The Lodge in Florida was in need of good officers' and I soon progressed to the position of Worshipful Master. I had to be elected to this particular office, but that was no problem. I worked with Lodge members in my Civil Service job, and there were numerous officers of the Scottish Rite who were also City Officials. In fact, I had a part in the initiation of the Mayor of the city. It was in the Skull lecture I gave in the 30th degree. He paid close attention.*

*Soon I had served in many chairs and was given the Degree of K.C.C.H (Knight Commander of the Court of Honor). I had this degree for four years when I, quite literally, entered the darkest period of my life. My sight began to deteriorate rapidly as I was developing a cataract on my left eye. A friend of my wife recommended I visit an*

*ophthalmologist who said she was very good. I took her advice. After examining my eyes the ophthalmologist informed me that I had to have an operation on one eye and possibly on the other eye as well at a later time.*

*He told me he had to see me every day for a week before he could operate because of an infection in my eyelid which had to be treated. During these visits he began to share with me about Jesus Christ and even read some verses to me out of the Bible. Although I knew of many ministers and preachers who were Masons, particularly those affiliated with the National Council of Churches, I had been trained by my family to stay away from churches. My stepfather said they were full of hypocrites and no one in his house was ever go go to church. And here I was. with a doctor who was working on my eyes trying to read the Bible to me. On my job I began speaking with a few people who I knew to be Christians, and they also told me about Jesus. One went so far as telling me that no Christian should ever be a Mason. In the meantime, the doctor continued to share with me while he was working on my eyes. I tried not to listen, but deep inside I knew he was right.*

*Just one day after I had returned to work following my operation, I received a letter from The House of the Temple in Washington, D.C. I had been chosen to receive the 33rd degree and was to report to Washington in one week to accept the honor. Two men from the Scottish Rite who were 33rd degree masons decided to go along with me to share in my time of joy. I remember being impressed by the size and beauty of The House of the Temple. It was at least four times as large as our Scottish Rite Temple. After I had received the 33rd degree along with my white hat and ring, we all had a big feast and drank wine. It was all so much fun. Yet throughout this time I kept thinking about the passages the doctor had read to me from the Bible.*

*Soon after returning home I received a call from the Secretary of the Scottish Rite telling me to prepare for the upcoming Maundy Thursday services prior to Easter. I can tell you that the Lodges always make a mockery of Christian Holy Days. Now I was Master of all degree work and had to conduct the service.*

*In the meantime my wife and I had begun attending church with the ophthalmologist. He was still helping me understand the Bible and did not like the idea of me being a Mason. He told me he didn't think I understood just how evil the Lodge really was, and he urged me to read thoughtfully the books of John and Galatians. I studied these books and was on the verge of accepting Christ. But to become fully convinced I had yet to go through the Maundy Thursday ritual itself.*

*We were all in our places for the Maunday Thursday Rose Croix service to begin, each of us dressed in black robes. I stood and clapped my hands three times, and everyone rose to their feet. I began to speak, "My brothers, we meet this day to commemorate the death of our most wise and perfect Master – NOT as inspired or divine, but as at least the greatest of humanity."*

*At that point I had to stop for a moment to think about what I had just said. I was denying the fact that Christ was inspired or divine, saying he was merely a human master no greater than Buddha, Mohammed, Confucius or other religious figures. I felt a tear run down my face, but I had to go on. I walked out to the menorah and lit the candle.*

*The next speaker said his part and lit a candle on the menorah. All spoke and lit candles. I was feeling sad and bewildered, wondering I could go on; but I did. We had the Black Mass, drinking wind from a skull and eating a piece of bread, passing it around the table saying to each man, "take, drink, and give to the thirsty. Take, eat, and give to the hungry." Then we all went back to our stations. As I got up, my knees were shaking. I knew what fear was, and I had never felt anything like this since being shot at in the Army. I stood and began to recite the closing words. "We now close this commemoration of the death of our master. MOURN!! LAMENT!! CRY ALOUD!! HE IS GONE!! NEVER TO RETURN!! MOURN!! LAMENT!!" The candles were extinguished one at a time. I closed the ceremony by saying, "it is over, we must depart."*

*I hurried to the disrobing room and got out of the black robe and into my street clothes. Some men came around and asked me if I was sick. I just said, "yes, I've got to go!"*

*The very next day I wrote letters to the Blue Lodge, the Shrine and the Scottish Rite saying that I had attended my last meeting. I was a Christian now and would not be back. That was 25 years ago. I have never regretted my decision.*

*During my 19 years as a Mason, I witnessed and participated in numerous disturbing events, but the single most important reason causing me to leave was the fact that Jesus Christ was not the one being worshipped. Many gods in the Scottish Rite are revered and many religions taught, but never is the Blessed Name of Jesus Christ allowed. One is not even allowed to close a prayer in the name of Jesus, but instead must use a vague reference to God, which could mean anyone or anything. Teaching of the Kabbalah, Zend Avesta, and the Gnostics are used along with astrology and the doctrines of ancient false gods such as Osiris, Semiramis, Isis and Krishna. The Hindu gods Brahma, Vishnu and Shiva are also given reference as deities. But whenever Christ was mentioned, it was only in the form of a mockery.*

*For these reasons I left the Masonic Order. If you are currently a Mason, I urge you from the bottom of my heart to do likewise. It is the only right thing to do.*

*In Christian Love*

*Jim Shaw.*

Finally, before the start of the document, I would like to mention my purpose of putting this on the Internet. It is not my purpose to offend anyone, although I have no doubt that some will be offended. My first reason for publishing this is to warn those who haven't yet joined, or are thinking of joining about the dangers and hidden meanings of Masonry. Second, I think that those who have joined and yet feel uneasy about Masonry should know why they feel the way they do.

Now we will continue with the study that my dad did on the subject of Masonry.

MAY THE TRUE GOD, OUR FATHER, HELP US

## **MASONRY, FACT AND FICTION**

Revelation 22:19

*“And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the Holy City, and from things which are written in this book.”*

The following, and the source(s) herein, except my own statements, are taken mainly from the highest sources of masonry, as will be described clearly, and still apply today. So if anyone disagrees with the contents, they have only to find for themselves the truth from the authority. Again, the information contained here, if from the Mason's highest authority, and are you encouraged to search them yourselves. If any Mason feels or states that any part of this document does not apply then he hasn't been well versed in his own order.

If you the reader are a Mason you are perhaps going to be surprised when you read this because the contents sound so overwhelming that it seems too absurd to be true.

Brief passages will be quoted so as to leave no doubt as to the authenticity of the said statements and passages, and for the most part, will be taken from Masons or former Masons themselves.

THE SATANIC RITUALS COMPANION TO THE SATANIC BIBLE

By Anton Szandor LaVey

Anton LaVey, the founder and leader of the Church of Satan, gives repeated reference to Masonry in the above book. On page 21 of his book, he concedes that modern Satanism draws heavily on Masonic rituals and teaching.

“The ceremony of stifling air,” according to La Vey, this rite was originally performed “when entering the sixth degree of the Order of the Knights Templar.”

The Knights Templar were the forerunners of freemasonry! In fact, if you would turn to the book entitled:

**MORALS AND DOGMA OF THE ANCIENT AND ACCEPTED SCOTTISH RITE OF FREEMASONRY,**

you will find that the Knights Templar are mentioned on page 4m, that they boast to be consistent with the profession of Masonry.

### **Now about the author of Dogma:**

The author, Albert Pike, by 1889 simultaneously occupied the positions of Grand Master of the Central Directory of Washington, D.C., (the head of D.C. Masonry) and So Verign Pontiff of Universal Masonry, (head of world Masonry).

His authority is still being held as it was at the time.

I have heard it said that they don't use his work anymore, so let me enlighten the reader of the following:

“The following work has been prepared by the authority of the Supreme Council of the Thirty-third Degree, for the Southern Jurisdiction of the United States, By the Grand Commander,....., and is specially intended to be read and studied... buy the brethren.....”

**(Source)**

Behind The Lodge Door

Fisher, Paul A.

Pike was and is Scottish Rite Masonry's highest authority. In fact, see the below; as told by the below author: “He recast the old Scottish Rite ritual and brought them to their present state of perfection.”

**(Source)**

Joseph Fort Newton: “The Builders”

If any Mason who still believes that Masonry is based on the word of God, he should continue to read the following, remembering the author, Pike, is a man still respected by the brotherhood, the Masons.

On July 14, 1889, he issued formal written instruction to the “23” Supreme Councils of the world. Here he gives us a very good look at the inner order of Masonry. As follows:

“That which we say to the crowd is ‘we worship God’, but it is the God that one adores without superstition. To you, Sovereign Grand Inspectors, General, we say this, that you may repeat it to the brethren of the 32nd, 31st, and 30th degrees, the Masonic religion should be, by all of us initiates of the high degrees, maintained in the purity of the Luciferian doctrine.”

**(Source)**

Occult Theocracy

p. 220

Author, Historian Edith Starr Miller

And then goes on to say:

“If Lucifer were not God, would not Adonay (the God of the Christians), whose deeds prove his cruelty....and hatred of man, barbarism and repulsion for science, would Adonay and his priest calumniate him? Yes, Lucifer is God, and unfortunately, Adonay is also God. For the eternal law is that there is no light without shade, no beauty without ugliness, no white without black.”.....

“Thus, the doctrine of Satanism is heresy; and the true and pure philosophic religion is the belief in Lucifer, the equal of Adonay; But Lucifer, god of light and god of good, is struggling for humanity against Adonay, the God of darkness and evil.”

Occult Theocracy

Pike intended the degrees leading up to the thirteenth degree to serve as a training school to gradually condition and prepare the candidate for the ultimate acceptance of Luciferic initiation.

In Masonry, every thing has a double meaning. Thus, the candidate is practicing occultism throughout his degrees without knowing it. False interpretations are given to keep him from suspecting the institution to be anything less than noble and upright in purpose.

This deception, this false interpretation is called allegory. **Allegory** is defined as; something where the language is one thing **and the meaning** is another.

And

Freemasonry is defined as: “Freemasonry is a beautiful system of morality veiled in allegory and illustrated in symbols.”

And again, referring to Masonry:

“.....It is a far more occult organization than can be realized, and is intended to be the training school for coming advanced occultists. In it ceremonials lies hid the wielding forces connected with the growth and life of the kingdoms of nature and the unfoldment of the divine aspects of man.”

The Externalization of the Hierarchy

By Alice Bailey. P. 511

Alice Bailey is a former head of the Theosophical Society. That society has a great interest in what we have been hearing about; **The New Age Movement**. She was also the founder of the Lucis Trust. She wrote many books on a variety of occult topics relating to the unfolding of the plan of the New Age Movement. In fact, she has been called the New Age Queen!

Part of this plan calls for the establishing of a world religion, and that Masonry be a big part of the New Age.

Henry Clausen, former Grand Commander of the Supreme Council, thirty third degree, Mother Council of World Masonry, is one who also proclaimed this idea. He states:

“Today we are at the threshold of a new era. All signs point to this fact.....We look toward a transformation into the New Age.....This new world view is emerging because there has been a recent correlation between modern physics and the mysticism of Eastern religions.”

**(Source)**

## Henry C. Clausen – “Emergence of the Mystical

When we speak of mysticism, it is defined as “one who practices mysticism, i.e., magic, occultism, witchcraft. According to the New Columbia Encyclopedia, a mysticism is “the practice of...magic, occultism or the esoteric....” Included in the mystic tradition were the Hermetic philosophers and the alchemist.” You will find them constantly in New Age and Masonic writings.

The reason I put the brief information on the New Age is because it figures very prominent in the New World Order! That’s right folks, and it doesn’t take long to figure that out.

But you are at the advantage, because the research is being done for you in this document, together with the sources applied. You have only to research my sources.

The secret doctrine teaches that Jesus was born an ordinary man and that he became Christ later. He did not come as Christ in the flesh.

### THE MEANING OF MASONRY

by Lynn Perkins

P. 53

But the Bible tells us different:

“And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world.”

**(Source)**

I John 4:3

It is worthy to remember that although there are a lot of decent people in the Lodge, in a spiritual sense they are not aware of that they are doing, at least some of them, for it is the spirit of darkness that has control over them. Time back I realized the above.. If they would only understand how Satan can easily deceive and eventually destroy, they could easily divorce themselves from the above and have a true peace that they could never have at present.

**Lucifer, god of light, light of the lodge, etc.**

As we have seen, numerous times as referring to the light. What is this light so much spoken of in these documents? Lets go a litter farther.

In Webster's Dictionary it describes light in the form of Lucifer. Note: "Lucifer, name of the morning star, literally "light bringer," devil, Satan."

and

In the Encyclopedia of Freemasonry  
(p. 532)

"It does not simply mean truth or wisdom,".....Freemasons are emphatically called the "sons of light," because they are, or at least are entitled to be in possession of the true meaning of the symbol:.....it was also the symbol of Osiris, their principle divinity, and the chief object of their mystic rites."

Behold again, "**The Word**" of Masonry" the **man** on the tracing-board of this Degree the **Light toward which all Masons travel.**

**(Source)**

Pike, Dogma, supra. P.256

But on page 4, above, referring to the light, Pike speaks of recovering the **word**, as meaning **occult**.

**(Source)**

Pike, Dogma, supra, P.252

On page 22, supra; you will see a picture of Baphomet the god of lust, the meaning of the eastern star!

Masons have their own Luciferian based calendar. Our western calendar counts its years based on the number of years before and after Christ' B.C., for before Christ and A.D.' Anno Domini, meaning, "in the year of our Lord," for the years after the birth of Christ. The Masonic calendar counts its years with the suffix A.L; meaning Anno Lucis (or Lucifer); "year of light", the Masonic year of creation. This can also be interpreted to mean "Year of Lucifer."

**(Source)**

The Brotherhood, p.15

By Stephen Knight

Masons do not count their years from the year of Christ's death because for a rather curious reason; they consider it a tragedy. In their initiation ceremony for the eighteenth degree, the Knight of the rose Crucis, also known as the Rose (The Red Cross) or "the Rosicrucian's, Masons symbolically drape the Lodge room in black and sit on the floor in silence, resting their heads in their arms in mock grief around the altar above which are three crosses. They grieve not for the death of the Son of God, but according to the French Masonic historian Abbe Augusten de Barreul, they symbolically mourn because the day Jesus was crucified was the day Christianity was born, ever to be the antagonist of Masonry:

It is the.....time when the veil of the temple was rent asunder, when darkness and consternation was spread over the earth, when the light was darkened, when the omplements of Masonry were broke, when the flaming star disappeared, when the cubic stone was broken when the word was lost. (2)

(2)...Memoirs Illustrating The History of Jacobinism

By Barruel, supra.P.311-312

“So, Luciferianism and Satanism have a basic difference. Luciferianism pretends to be good and Satanism admits it is bad, saying there is no good. The results are the same. Lucifer and Satan are frequently confused, even by experts. For example, in 1908, French occultism expert Copin Albancelli confused Lucifer with Satan in describing the beliefs of the upper echelons of Masonry.

Certain Masonic societies exist which are Satanic, not in the sense that the devil comes to preside at their meetings.....but in that their initiates profess the cult of Lucifer. They adorn as the true God, and they are animated by the implacable hatred against the Christian God, whom they declare to be an impostor.”

**(Source)**

Secret Societies and Subversive Movements. P.324

By Nesta H. Webster

Albancelli also explained the view of the Ten Commandments held by one French version of Masonry:

“It is professed in these societies that all the Christian God commands is disagreeable to Lucifer; that in consequences one must do all that the Christian God forbids and that one must shun like fire all that He commands.”

Their (Masonry) history is replete falsehoods and deceit, but we must always remember that the ultimate source is, and shall forever be Jesus, and I sincerely am sad for those who believe otherwise!

A learned Brother places over the two symbolic pillars, from right to left, the words אֱלֹהִים and אֱמֶת and אֱמֶת and אֱלֹהִים, followed by the hieroglyphic equivalent, ☉ of the Sun-God, Amun-ra. Is it an accidental coincidence, that א in the name of each murderer.....?

(Above paragraph is a graphic. I wasn't able to make such symbols on my P.C.)

We will stop right here for a time to evaluate the above.

First, the above is referring to “gods” and “other Gods.” So, **Masonry is a religion.** But how can it be? Please continue. In *Morals and Dogma*, and *Albert Pike*, as the Grand Commander and Prince Adept, **clearly identifies Masonry as an occult religion, the universal religion of all mankind since the beginning of time!**

He says, “**Every Masonic Lodge is a temple of religion; and its teachings are instructions in religion**”! (Emphasis mine)

**AND**

Dr. Albert G. Mackey, the author of the *Encyclopedia of Freemasonry*; published in 1879.

He was past General High Priest and Secretary General of the Supreme council Thirty-third Degree for the Southern Jurisdiction of the U.S.; which takes in thirty-five of the fifty states. It has been considered one of the top two authoritative works on Masonry. (The other is Pike)

He Said:

**“Freemasonry is a religious institution.”**

**“Masonry is not Christianity, nor a substitute for it.”**

**(Source)**

Albert Mackey, *Encyclopedia of Freemasonry*

In the above, concerning **Bal** and **other gods**:

The history of Masonry is replete talk, knowledge, and worship of other gods.

But our True Father says, and he says it emphatic, so there is no mistake: **“THOU SHALT HAVE NO OTHER GODS BEFORE ME,”** and that also means at all, before or after him.

Exodus 20:3

**He also says:**

**THOU SHALT NOT BOW DOWN THYSELF TO THEM NOR SERVE THEM...**Exodus 20:5

So, just being a member is being a part of them and serving them.

Again, God’s word says:

**“Be ye not unequally yoked with unbelievers: for what fellowship hath righteousness with unrighteousness? And what communion hath light with darkness?”** II Corinthians 6:14

**Now, back to Morals and Dogma.**

Masonry, like all religions, all the mysteries, Hermeticism and alchemy, **conceals its secrets from all except the Adepts and Sages or the elect. It uses false explanations and misinterpretation of its symbol to mislead those who deserve only to be misled; to conceal the truth, (which it calls Light) from them, and to draw them away from it.** Page 7/8

Masonry deals in the occults, Gnosticism, Astrology, Mysticism, Mythology, Qabalah, Tarot, Theosophy, Kabbala, Magic, Occult, Sciences, Magic (both white and black) etc, as will be shown in their own literature!

At the back of this document you will see the above, as of 1/12/1995

### **Morals And Dogma – 18th Degree**

Christians understand the true meaning of **“THE WORD”** as meaning **“JESUS”**, however in Pikes book, above, page 252, speaking of the light and darkness:

**“Which we symbolize by the candidate wandering in darkness and being brought to light: that the world was created **not by the Supreme Being, but by a secondary agent, who is but his word, and by types which are but his ideas, aided by an intelligence, or wisdom, which gives one of his attributes; in which we see the occult meaning of the necessity of recovering “THE WORD.”**“**

Here we are seeing that he states that Our Father did not create the world, and that he is associating The Word, Jesus, with the occult.

### **Nineteenth Degree**

page 320

Pike Writes:

**“The apocalypse, that sublime Kabalistic and prophetic Summary of all the occult figures.....”, and then goes on to say:**

**“The Sephar Yezirah, the Sohar and the Apocalypse are the completest embodiments of Occultism.”**

The Apocalypse, is a Kabalistic book, which refers to ancient mythology, and planets, spheres, etc. Again, it is occultic.

**(Source)**

Dogma Ibid

page 7271

The Sohar refers, and refers only to **the Holy books, is the key to said Holy Books, for, “it opens also all the depths and lights, all the obscurities of the Ancient Mythologies and of the Sciences originally concealed in the Sanctuaries.”** Again, the occult!

**Twenty Sixth Degree**

Dogma Ibid

**“The Prince of Darkness, with their consent, made Adam, whose soul was the Divine Light, contributed by the Eons, and his body of matter, so that he belonged to both Empires, that of Light and Darkness. To prevent the Light from escaping at once, the Demons forbade Adam to eat the fruit of “knowledge of good and evil,”.....He obeyed. An angel of Light introduced him to transgress and gave him the means of victory; by the Demons created Eve.....!”**

Shocking to say the least. Pike and the rest are very adept at deceiving those below themselves. But for someone with at least some knowledge of the Bible, we cannot be deceived.

**(Source)**

pages 566-567

On the same page, he goes on to say: **“Satan is the son and lord of matter; and the secondary angels and demons, children of matter.” “Satan created and governs the visible world.”**

Father, help us all! How could anyone believe this blasphemy!?

In this document Bal is referred to. Bal was a false god, a representative or personification of the sun. He was the Great Nature God of Babylonia. His symbol was the Sun and was figured seated on a bull.

The word Bal, or Baal, like the word Adon, signifies Lord or Master.

### **MASONRY EXPOSED!**

In the 1800's Masonry was exposed and Masons abandoned their lodges for the shame of it. It cost one man, William Morgan, his life. This man wrote all the rituals of Masonry in a book. The Masons kidnapped him from Batavia, New York, moved him out to Niagara, stored him in Ft. Niagara for three days then took him to a boat.

They tied a rope (Mason style), called a cabletow by the Masons, around his waist with a weight around it, and gave him one half hour to make his peace with God. This all happened on 11, September, 1826. This is a death bed testimony of Henry Vallance, also a Mason and two others.

When it was learned that Morgan had prepared the manuscript, Masonic leaders acted to prevent the book's publication. David Miller, the publisher was also kidnapped; but the citizens of Batavia, learning of the kidnap, pursued the kidnappers and finally rescued him.

In spite of all efforts by the Masons to prevent its publication, the book was published in 1827. Freemasonry did everything in its power to deny its role in the murder of William Morgan, but the incident put the eastern states into a frenzy. Innocent Masons themselves believed that Morgan's execution was carried out by fellow Masons.

During the decade that followed, of the estimated fifth thousand Masons in the U.S; forth five thousand Masons withdrew from the Lodges Coil's. The Masonic Encyclopedia attest to this fact.

**Coil states:**

“Masonic defections spread throughout New England, New York, Pennsylvania and Maryland.....In 1826, New York had 480 Lodges with a membership of 20,000, but from 1827 to 1839 only 40 or 50 Lodges were reporting to the Grand Lodge.....The Grand Lodge of Massachusetts surrendered its charter to the state and became and unincorporated body.

**(Source)**

Coils Masonic Encyclopedia

p.58

In the years that followed, Freemasonry continued to refute the charges of murder, in spite of the fact that one of the three men appointed to carry out the assassination confessed to the entire account. The confession appears on pp. 11-16 of the book entitled: The Character, Claims and Practical Workings of Freemasonry. Author Rev. Charles G. Finney, a nineteenth century evangelist, once a Mason.

The Masons established two false editions of Morgans book and circulated them among Masons who had never read the true edition, causing them to say “why, these rituals are not correct!” Then these Masons would become a spokesman to prove that Morgan's book was a lie.

Charles Finney however had an original as he wrote his book. The Masons could claim that the book was correct, but they did not have all the information.

As a result of this scandal, the anti-masonic party was formed. It polled 128,000 votes in the 1830 election and carried Vermont in the 1832 presidential election. Rhode Island and Vermont Passed laws against blood oaths. Thousands of Masons burned their aprons.

In a few years time, membership in the New York lodges dropped from 30,000 to 300 members as a direct result of the Morgan incident.

One of those who left the order was Millard Fillmore, who later became the thirteenth president of the United States. He joined the Anti-Masonic Party in 1828.

He said: "The Masonic fraternity tramples upon our rights, defeats the administration of justice and bid defiance of every government which it cannot control."

In 1834, the Massachusetts Legislature investigated the Order and found it to be, "a distinct and independent Government within our own Government, and beyond the control of the laws of the land by means of its secrecy and oaths and regulations which its subjects are bound to obey, under penalty of death."

The above matter of secrecy and oaths is as follows:

Entered Apprentice (1st Degree):

“To all of which I do most solemnly and sincerely promise and swear, without the least equivocation, mental reservation, or self evasion of mind in me whatever; binding myself under no less penalty than to have my throat cut across, my tongue torn out by the roots, and my body buried in the rough sands of the sea at low watermark, where the tide ebbs and flows twice in twenty four hours; so help me God, and keep me steadfast in the due performance of the same.”

Can anyone imagine such an oath? The 2nd and 3rd, are even worse. How can such a man even keep such an oath from his wife and family? When two people are married in Christ they become one. It is not a Christian act to make such an oath.

As to the taking of an oath, it is forbidden in scripture. For the Bible states:

**“But I say unto you, swear not at all, neither by heaven, for it is God’s throne;.....But let your communication be, Yea, Yea; Nay, nay: for whatsoever is more then these cometh of evil.”**

**(Source)**

Matthew 5:34-37

Therefore, the hierarchy uses millions of people as dupes to serve as a shield between the public and themselves. These people devote countless hours to establish hospitals to help the crippled

and do other good works unwittingly provide a cover under which the Adepts operate a perfect relations ploy.

The Eastern Star symbol is the inverted five point star. One of the founders of the Eastern Star, the man who wrote all the rituals, Rob Morris, chose that five pointed star. He selected for the specific reason out of mythology: **it is the Goat of Mendes! The Goat of Mendes is the God of Lust!**

At an extended debate in Michigan, the result yielded was not whether to change the symbol: **“This emblem, which has been our symbol, although evil.....**

So, The Grand Chapter of the State of Michigan admitted it! It is very difficult to understand why any father or husband could choose for his wife and children the symbol of the Goat of Mendes, a god of lust.

In ancient times, as it is today in Masonry, there is in nature one potent force. It is a universal agent. The Gnostics held that it composed the igneous body, (igneous means fiery) body of the Holy Spirit; and it was adored in the secret rites of the Sabbat of the Temple, under the hieroglyphic figure of **Baphomet** or the **hermaphroditic goat of mended.**” (Emphasis mine). It is the body of the Holy Spirit, the universal agent, devouring his own tail.

**(Source)**

Morals and Dogma p. 734 supra

Now, if you still have doubts, and if you were to discover the true meaning of Baphomet, and the goat of Mendes, and you would find that they are forms of Satan himself, and a sabbat is **“an assembly or celebration of witches or other cultists, usually held on astrologically significant days and hours.”**

Read now what Pike himself says:

“Whoever shall learn to comprehend and execute this great work will know great things, say the sages of the work; but whenever you depart from the center of the square and compass, you will no longer be able to work with success.”

“It is what is termed the Kabbalistic Pantacle....This carries with it the power of commanding spirits of the elements. It is necessary for you to know how to use it, and that you will learn by perseverance **if you are a lover of science** or our predecessors the sages.”

John Marshall, the great chief justice of the United States Supreme Court wrote:

“The institution of Masonry ought to be abandoned as one capable of producing much evil, and incapable of producing any good which might not be affected by open means.”

Marshall was himself a famous Mason and had assisted in the establishment of two Lodges in Virginia. His biography is one of the only twenty five appearing under the section, “statesmen, Founders, Officers” in the book “Famous Masons and Masonic Presidents.”

He is included in the same section as Albert Pike and Adam Weishaupt. Marshall must have therefore known of Masonry. His anti-Masonic statement came shortly before his death in 1835.

Freemasonry and Christianity, The Sword Of The Lord

By Dr. Alva J. McClain

On the York rite side of Masonry, are the four degrees that make up the Royal Arch Degrees. These consist of the degrees of the Mark Master, (4th), Past Master (5th), Most Excellent Master (6th), and the Royal Arch, the seventh degree. (Holy Bible, Masonic ed. page 10). On the Scottish Rite side, the Royal Arch degree is the 13th.

Here, at this point, The Royal Arch Degrees, is **where the candidate suffers a severe shock, for the candidate must swear to the following: The candidate must swear to keep the secrets of a fellow Mason, murder and treason not exempted.** With his hand on the Bible, the candidate for the Royal Arch Degrees must swear the following:

**“I will aid and assist a companion Royal Arch Mason when engaged in any difficulty, and espouse his cause so far as to extricate him from the same, if within my power, whether he be right or wrong.”**

So then, Royal Arch Masons are obligated under blood oaths to extricate him or any of his brothers from any troubles, legal or illegal.

There is much more to be said of this subject. We will however go on to the oath relation to the above. He then swears the following:

“To keep in my heart all the secrets that shall be revealed to me. And in my failure if this my oath, I consent to have my body opened perpendicularly, and to be exposed for eight hours in the open air that the venomous flies may eat out my intestines...and I will always be ready to inflict the same punishment on those who shall disclose this degree or break this oath. So may God help and maintain me. Amen.

Finney, p. 108

So, in the above then, in a desperate attempt to soften the impact, The Royal Arch oath blasphemously attempts to include Jesus!

Read the Following:

“As the sins of the world were laid upon the head of the Savior, so may all the sins committed by the person whose skull this was be heaped upon my head, in addition to my own, should I ever knowingly or willfully violate or transgress any obligation that I have heretofore taken....So help me God.”

**(Source)**

Finney, p.108

Now, I have shown without any doubt whatsoever, the true intent of Masonry as stated in this document. The deceit and the extent that Masonry will strive to conceal their purpose. But now, to use the Holy name of Jesus, is again blasphemy, and those that take any part in all the above will certainly pay his due!

### **Admitted Deception**

Many honorable men have become Masons under the false impression that Freemasonry is a Christian institution. Although certain ceremonies make use of Christ' name, this is usually in the form of mockery (sometimes blatant, sometimes subtle), unfortunately not often realized as such by one not grounded in the Bible, thereby further confusing initiates perception of the order.

### **The Blue Degrees**

“The blue Degrees are but the outer court or portico of the Temple. Part of the symbols are displayed there to the initiate, but he is intentionally misled by false interpretations. It is not intended that he shall understand them, it is intended that he imagines that he understands them.....”

**(Source)**

Morals And Dogma. 819

And remember, as to the above, it is deceptive, it is evil, by their own words. It is not meant for a Christian to be part of all the above, but to be apart from that which by their own words is evil!

Remember, the second Bible that Pike speaks of in *Morals and Dogma*, is the Kabalah, an ancient book of the occult!

**(Source)**

*Morals And Dogma*

pp 744-745

It is typical to omit the name of Jesus Christ when quoting scripture. The following examples compare Scriptures taken from the Holy Bible (KJV), with those used by Thomas Smith Webb in his book, “*The Freemason’s Monitor*.”:

Bible: 1 Peter 2-5	Webb’s Monitor
--------------------	----------------

<p>Ye, also as lively stones, are built up a spiritual house, an Holy Priesthood, to offer up spiritual sacrifices, acceptable to God by Jesus Christ.</p>	<p>Ye also, as living stones, be ye built up a spiritual house, an holy priesthood, to offer up sacrifices acceptable to God.</p>
<p>Bible: Matthew 21:42</p> <p>Jesus saith unto them, “did ye never read in the scriptures, ‘the stone which the builders rejected, the same is become the head of the corner.....?’”</p>	<p>Webb’s Monitor</p> <p>Did ye never read in the scriptures, The stone which the builders rejected is become the head of the corner?</p>

There can be no doubt, after all that has been said so far, that Mason’s will go as far as necessary to deceive their own brotherhood, and again blaspheme the Holy Word of our Father.

Now, listen to what Pike has to say:

“Masonry, like all religions, all the mysteries, hermeticism and Alchemy, conceals its secrets from all except the Adepts and sages, or the Elect, and uses false explanations and misinterpretations of its symbols to mislead those who only who deserve to be misled; to conceal the truth, which it calls light, from them, and to draw them away from it.”

**(Source)**

Pike, Dogma pp. 104-105

AND:

“The Blue Degrees are but the outer court or portico or the Temple. Part of the symbols are displayed there to the initiate, but he is intentionally misled by false interpretations. It is not intended that he shall understand them; but it is intended that he imagine he understands them. Their true explication is reserved for the Adepts, the Princes of Masonry.”

**(Source)**

Pike, Dogma, p.819

The individual Mason is deceived as to the true nature of Masonry, the individual Mason is deceived when he is taught that he can earn his way to heaven by his moral living, good works and obedience to his oaths. However, the bible tells us that the only way to heaven is through Jesus. He says: “I am the way, the truth,” and through him he is the only way to heaven. We are saved through salvation, and not by works, as the Mason professes. **Only by His (God’s) grace are we saved.**

**Now, on to another subject.**

There are two fraternities in Masonry. There is an outer one and an inner fraternity. The inner one, only the elite or Adept know the true meaning of Masonry.

**Deceptions!**

The first deception usually occurs when the member is assured that Masonry is not a religion. It is based on the Bible, will make him a better man and if he is a Christian, that Lodge will make him a better Christian.

The initiations are deceptive in that the candidate is not told in advance of the death oaths, let alone their terrible content.

The candidate is deceived in that he is told, just before taking an oath of obligation, (his first oath), that there will be nothing in the oath that would conflict in any way with his personal religious faith. Here he is being lied to when the very taking of the oath is a violation for a Christian or a religious Jew. Oaths that are forbidden both in the New Testament and Old Testament. And this is to say nothing of unscriptural content, **promising to conceal other men's crimes and containing hideous penalties.**

Here, in the administration of the oath, is not only deception, but an enormous flaw!

When Worshipful Master assures an initiate, before administering an oath, that there will be nothing in the oath that will be in conflict with his religious faith, he hasn't asked the initiate what his religious faith is!

The initiate is deceived when led through his oath of obligation as a Master Mason and swears to uphold certain aspects of personal morality. The wording of the oath is extremely deceptive because of its very subtle immoral meaning.

Meaning, he must swear never to cheat, wrong or defraud another Mason or a Lodge of Master Masons, knowing them to be such, leaving the Master Mason free to cheat, wrong or defraud anyone else in the free world, as long as it isn't another Master Mason.

Also, he must swear not to "violate the chastity of a Master's wife, his mother, daughter or sister, or even those of another Master Mason as long as he is not aware of their Masonic connection!

There is so much more to say!

He is deceived by being led to believe that the legend of Hiram Abiff involved in the second part of his initiation is historical and has no spiritual significance. Actually, the story he must reenact, portraying Hiram, is pure myth; worse than that, it is terribly significant paganism. The unwitting candidate is required to portray Hiram, not having the slightest idea what it is all about, entering into death, burial and resurrection of the Masonic Messiah, Hiram Abiff, who is actually **Osiris, the Egyptian sex God!**

You don't believe it you say? Let's allow a few of Masonry's most respected historians speak for themselves:

“That part of the rite (third degree initiation) which is connected with the legend of the Tyrian Artist (Hiram Abiff), should be studied as a myth and not as fact.....Outside the Masonic tradition there is no proof that an event such as is related in connection with the “temple Builder” ever transpired and, besides, the ceremony is older by more than one thousand years than the age of Solomon.....It is thoroughly Egyptian.”

**(Source)**

Daniel Sickels. Ahiman Rhezon and Freemason's Guide. P. 195

It (the legend of Hiram Abiff) is thoroughly Egyptian, and is closely allied to the Supreme Rite (third degree) of the Isianic Mysteries (the pagan mystery religion of Isis and Osiris).

Osiris and the Tyrian Architect (Hiram Abiff) are one and the same.

**(Source)**

Sickles, Ahiman Rhezon. p. 236

See how plain it is? The initiate is deceived when he is promised that his initiation will bring him from darkness into the Light; that he never quite gets to the Light. From degree to degree he searches for it and finally at the culminating moment, in the Scottish Rite, the Lecture of the Thirty Second Degree, he is, that the light is out there somewhere and he must find it on his own.

Here is how it relates to Jesus. Hiram Abiff actually represents Osiris, the Egyptian sun and sex god!

All of the above can create, to say again, a serious problem at home. Pike says in Dogma, that until a man goes through these rites, he is profaned. He uses the word profane as meaning unclean. The moment he takes his first oath of obligation, he separates himself from his wife. Remember, I said earlier that when two are married in Christ, they become one.

Now, not only has he become bound by the death oath, of which she can never know of, now, she is “profane,” and if she asks him certain questions about what he does in the Lodge, he must “lie” to her, dividing loyalties with her.

### **The meaning of Profane**

“Knowing this, that the law is not made for the righteous man, but for the lawless and disobedient (unruly), for the ungodly and for sinners, for the unholy and profane.....! .....any other thing contrary to sound doctrine.” 1 Timothy 1:9-10

This is not the wife’s fault. The husband is the one who puts her in this position.

### **Masonry And It’s Symbols**

All Masonic symbols have two meanings. The outer meaning, called and referred to as “exoteric”, and the inner one called, “esoteric”, a hidden meaning. Read what Pike had to say of the above:

“The symbols of the wise are the idols of the vulgar, or else as meaning – less as the hieroglyphics of Egypt to the Nomadic Arabs. There must always be a common place interpretation for the mass of initiates of symbols that are (by comparison) eloquent to the Adepts.”

**(Source)**

Pike, Dogma 819

### **What is the meaning of the letter “G” ?**

In the first degree, the initiate is told that the letter “G” represents deity, that is, God. Remember, before we go any further, as is described on page #2, about what god they are referring to; Lucifer!

But to go on. Then in the second degree, he is assured that it represents “geometry,” the first and noble of sciences, by means of which the secrets of the universe may be discovered. From here on all of this becomes very heavy, so complete attention and repeated reading is necessary.

### **This is the inner meaning!**

Since the true meaning of Freemasonry lies in its being descended from, and a revival of, the mystery religions of ancient Egypt, especially the worship of Isis and Osiris, the true meanings of its symbols are sexual! This should not be surprising since the cult of Isis and Osiris was a fertility (i.e. sex) cult. In plain language, those pagans worshipped sex and reproductive power. That is, (fecundity), meaning, intellectually productive.

The sun, worshipped by nearly all pagan groups, represented life giving sexual reproductive power, the active male, generative force, with its rays penetrating the passive, female earth, causing new life to come forth. The personified of the sun, usually worshipped in such fertility

cults, was (and is) the phallus, the male reproductive organ and their “worship” services were often orgies.

It was to just such a scene that Moses returned to from the mount after forty days with god. The golden calf was a bull calf, with prominent horns and conspicuous genital equipment. It was the personification of dominant male strength and reproductive power commonly worshipped in the fertility cults of the East. You will understand this in time.

### **Osiris Legend**

Osiris was the chief God of Egypt, the sun and husband of Isis. Osiris is said to have been killed by his jealous brother Typhon by trickery. Osiris was nailed in the chest and cast into the Nile. Later, his dead body was cast up at Byblos in Phoenicia and left at the foot of a Tamarind tree.

Isis retrieved his body only to lose it again to the jealous brother who then cut him into fourteen pieces, which he scattered around the kingdom. Isis again went in search of Osiris and found all the body parts except the phallus which had been eaten by a crab in the Nile.

Isis then made a phallus which was too sacred (origin of the Obelisk). She embalmed him thus claiming restoration and gave rise to the concept that the immortality of the soul was dependent on the preservation of the body.

Osiris was afterward known as the Lord of the underworld. He was also the sun and god of fertility, worshipped in orgiastic sex rituals.

### **The Masonic Symbol, the square, compass and G.**

According to Masonry's top authorities, the symbol represents reproduction. The compass represents the dominant active male, "reproductive principal."

The square inverted represents the passive, receptive, female "reproductive principal," and the relative positions, the one above and the other beneath, is no accident.

The combination, thus arranged, represents the sun penetrating and impregnating the earth to bring forth new life.

The compass also represents loftier, spiritual functions, while the square represents the more earthly, carnal and base functions.

In the entered apprentice symbol, the points of the Compass are usually beneath the Square; in the fellowcraft symbol, one is usually above and one is below; in the Master Mason symbol, both points of the Compass are usually above the Square, symbolizing complete dominance.

**(Source)**

Pike, Dogma. 850-851

What it all means is that these are symbols of ancient worship of nature and sex, but that the female is in the decidedly inferior status.

The letter "G" in the center is that of the phallus, the presentation of deity in the Egyptian fertility cults. (3) Dogma, supra. p.15, 771, 772.

Remember the legend of Osiris? An image of the phallus was placed in the Temple, and caused it to be worshipped as the image of the slain sun god.

And remember again, Masonry has taken the legend, the symbolism, and the worship for its very own.

Albert Pike explained that the "G" in the English speaking Lodges actually represents a corruption of the Hebrew letter **Yod**. The mysterious YOD of the Kabala is the "**image of the Kabalistic Phallus.**"

**(Source)**

Pike, supra. p. 5, 757, 758, 771-772

### **The All Seeing Eye**

A Mason may tell you that the all seeing eye is representative of God, seeing all, knowing all, and watching over us.....

Again, the true symbol meaning, the esoteric meaning of this symbol is Osiris, the Egyptian sun and sex god, the actual object of worship in the Masonic Lodge.

And again the authority: Albert Pike:

“The blazing star has been regarded as the emblem of Omniscience (all knowing or all seeing eye), which to the Egyptian initiates was the emblem of Osiris, The Creator. Dogma, 15-16

Note that he calls Osiris the Creator? Now do you realize what god the Masons speak of when they speak of god?

They say the letter “G” refers to god. Without them realizing it, they are referring to Osiris!

And Albert Mackey agrees that allegory and symbolism are the only things that really matter:

“All the legends of Masonry are more or less allegorical, and whatever truth there may be in some of them in a historical point of view, it is only as allegories, or legendary symbols, that they are important.”

**(Source)**

Mackey, Symbolism, 315

You must realize that the Masonic organization is, and has been, that it has a powerful place in our government.

For one thing, the Statue of Liberty was a gift of the Masonic Brethren in France to the American Masons, and it is to be filled with Masonic Occult symbols on it.

In Washington D.C., that the streets around the White House are laid out in the form of the Goat of Mendes and the square and compass of Freemasonry. The Capitol building and its streets actually form the Goat of Mendes and the square and compass of Freemasonry intersect the Washington Monument right in dead line with it.

The left leg of the Masonic compass sits on top of the White House, and the right leg sits on the Jefferson Memorial. Jefferson was a deist, a Mason and an Illuminati member. So was Ben Franklin.

Designed in the streets themselves, and with its southern point in the center of the White House, is an inverted five point star which again is the geometric face of the Goat of Mendes. And we wonder why we have stargazers in the White Hours?

And also, that every federal building that exists has been prayed for and set apart by the Mason's in their rituals. They have the cornerstones filled with their own paraphernalia, their own prayers to Jaobulon, their god.

You must understand that the Masons, together with the Illuminati, and others, are a significant part of this New Age, or the New World Order we hear so much of, but that another issue, which at another time perhaps, will be explained.

It all sounds overwhelming, too ridiculous to be true, but believe me folks, what is in this document is true.

As stated earlier, for anyone to understand the material in this writing, he or she can understand so easily having some knowledge of the Bible. Jesus will help you. He said: **“Ask, and it shall be given you; seek and ye shall find; knock and it shall be opened unto you.”** You only have to ask, seek and knock, isn't that wonderful!

Matthew 7:7

### **The Point Within The Circle**

The Blue Lodge Teaching is that the point represents the individual Mason and the circle represents the limitations of his duties. In other words, he cannot do whatever he pleases, he must be responsible and faithful to his responsibilities. The two parallel lines flanking the circle are supposed to represent “the Holy Saint Johns”, in whose names the Blue Lodge is always open.

the true meaning is of course occult and sexual. the point represents the phallus, the circle represents the vagina and the jux transposition of the one within the other represents sexual union.

The two parallel lines are actually zodiacal signs of Cancer and Capricorn, where the sun is found during the summer and winter solstices, respectfully. They were depicted by the ancient Egyptians as two rigid snakes, heads at the top.

Here is what the Masonic authorities have to say:

Albert Mackey:

Phallus, a representation of the virile member, which was venerated as a religious symbol....It was one of the modifications of Sun Worship, and was a symbol of the fecundating power of that luminary. The Masonic point within the circle is undoubtedly of phallic origin...It is derived from Sun Worship, and is in reality of phallic origin.

**(Source)**  
Mackey, supra. 352-353  
Symbolism of Freemasonry

The point within a circle is an interesting and important symbolism in Freemasonry, but it has been debased in the interpretation of it in modern lectures (the wholesome teaching in the Blue Lodge) and the sooner that the interpretation is forgotten by the Masonic student the better it will be.

The symbol is really a beautiful but somewhat abstruse allusion to the old Sun Worship, and introduces for the first time to that modification of it known among the ancients as the worship of the phallus. (7)

They are said to represent St. John the Baptist and St. John the evangelist; but really refer to the solstitial points Cancer and Capricorn in the zodiac. (8)

These two Divinities, the Active and Passive principles of the Universe, were commonly symbolized by the generative parts of man and woman.....the phallus and cteis (vagina), emblems of generation and production, and which, as such, appeared in the mysteries. The Indian Lingam was the union of both, as were the mast, and the point within the circle. (9)

The Solstices, Cancer and Capricorn, the two gates of heaven are the two pillars of Hercules, beyond which he, the Sun, never journeyed; and they still appear in our Lodges, as the two great columns, achin and Boaz, and also as the two parallel lines that bound the circle, with a point in the center. (10)

**(Source)**

Ibid, Dogma. p.506

Note: Solstice = The point in the apparent path of the sun at which the sun is farthest from the equator either north or south.

### **The Triangle**

The usual, as outer interpretation of the equilateral triangle in Masonic teaching is that of the Triune God. The hidden, true meaning is again pagan and sexual. With the base line down and the point up, it represents the male reproductive element, the phallus. With the base line up, it represents the female reproductive element, the vagina.

When the two are combined to form the six pointed star, they represent sexual union. Recalling that the square with the point down symbolizes the female principal.

Additionally, the compass above, with its points connected by a line, becomes the male principal, in union with the female.

The equilateral triangle, a basic symbol of deity, is subtly present in the Blue Lodge in that the Master, Senior Warden, and Junior Warden, the three officers whom Blue Lodge Masons must obey, are arranged in the triangle, and the candles around the alter representing the sun, moon and worshipful Master, three representations of deity, are arranged in a triangle.

Albert Mackey:

In the higher degrees of Masonry, the triangle is the most important of all symbols.....Among the Egyptians it was a symbol of universal nature or the protection of the world by the male and female energies of creation. (Sexual power) (11)

**(Source)**

Mackey, Symbolism, 195, 361

Writing of the combination of two triangles, the one base up, and the other down, Mackey further explains, “The interlacing triangles or deltas symbolize the union of two principals or forces, the active and the passive, male and female.” (12)

Mackey, Encyclopedia of Freemasonry. p. 801

Back of this trilateral triangle, representing the Hindu fertility god trinity, Brahma, Shiva and Vishnu. I had come to realize one thing at the beginning of my research into Masonry. Their books are to be read very carefully. One must take into consideration that because of so much deceit, that unless one knows exactly what material to read, he or she may also be deceived!

## VARIOUS MASONIC SYMBOLS

© 1998 / 2019 David Ben Ya'akov / The Delusion Resistance

*The sun, moon and stars, known in Scripture as the host of heaven, are found to be to the fore of Masonic imagery. These heathenish emblems, which have always been associated with Baal worship, are also found prominently displayed today within most New Age shops. It is not surprising to find such imagery spread widely throughout the occult world. Paganism has always showed its trinities in art by the sun (with a face) representing the male sun god, the moon (with a face) representing the moon goddess (or queen of heaven) and the all-seeing eye representing their offspring. Nothing on this picture represents anything scriptural. The words, "Faith, Hope and Charity," are Biblical, but the image does nothing to point a person in the direction of the Bible.*

*A Masonic Apron with symbols similar to the picture above it. One can only imagine that such a insipid work of art can only have its inception from the very depths of hell. Can you find the God of Abraham, Isaac and Jacob anywhere on this thing? I certainly cannot.*

*Date found on a monument found in a park in Tarboro, North Carolina. Masons say that the initials A.L. stand for 'Anno Lucis', meaning, "year of light," like it is some innocuous meaning. Those of us who know that Satan, also known as being able to manifest as an "angel of light," is also called Lucifer. Too blatant to be a coincidence.*

*The five-pointed star, known as the pentagram, is probably the most blatant occult symbol in use today. Witches Janet and Stewart Farrar explain that the five-pointed star is “one of the main symbols of witchcraft and occultism in general” (‘Hidden Secrets of the Eastern Star’ p. 82). The star itself is known by different names throughout the occult world, such as a witch’s foot, a goblin’s cross, a wizard’s star and the dog star. Wiccan witches use its five points to mystically represent the elements of nature, earth, fire, water, air and spirit.*

*This symbol is one of the most prominent emblems within Freemasonry, though its significance, like every symbol inherited from the occult, is concealed behind a smokescreen of secret society ambiguity.*

*The five-pointed star is found on most Masonic memorabilia and represents the blasphemous resurrection rite of the five points of fellowship, each point mystically symbolizing a part of the resurrection act. First – Foot to foot. Second – Knee to knee. Third – Hand in hand. Fourth – Breast to breast. Fifth and last – Left hand behind back.*

*Albert Pike states within *Morals and Dogma* [page 631-32] that the Monad [#1] is male, and the Duad [#2] is female. Their sexual union produces the Triad [#3], which is “represented by the letter ‘G’, the generative principle.” This term, “generative principle,” is code for the sex act.*

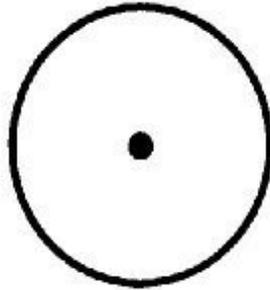

*The lines of Washington D.C. intersect. There is no way this could be coincidence.*

*A Masonic Symbol on the back of our money.*

*Note: The words Annuet Ceptis – Novus Ordo Seclorum translate into “Announcing the birth of a new secular order.” The date at the bottom of the pyramid is 1776. Rumor has it that when the capstone (with the eye) touches the pyramid, the new order will be complete. Freemasonry employs a mystical eye in its imagery known throughout the occult world as “the all-seeing eye.” This symbol which is shared with most false religions, cults and occult bodies today has always*

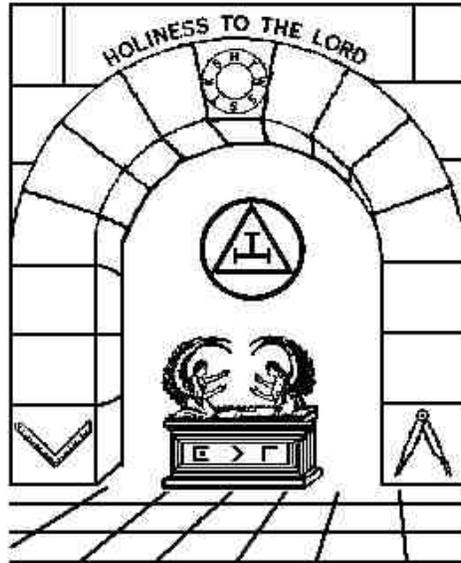

*been used as a symbol of 'deity'. Occultist Fredrick Goodman explains that, "The eye plays a most important part in occult symbolism and probably owes its origin in western magical designs to the Eye of Horus, which was one of the most frequently used of Egyptian magical symbols" May Osiris never have that pleasure*

*The point and the circle carry a sexual connotation. Another Masonic author states that this symbol is used in Sun Worship, and then says: "The female principle, symbolized by the moon, assumed the form of a lunette [small circular opening], or crescent, while the male principle, symbolized by the sun, assumed the form of the lingam [Phallus] and placed himself erect in the center of the lunette, like the mast of a ship." ["Point Within A Circle," Short Talk Bulletin, August, 1931, Masonic Bulletin designed to read within the Lodges, p. 4]*

*Masonic author, R.H. MacKenzie, states that "among Egyptians, the base [of the triangle] represented Osiris, or the Male Principle; the perpendicular, Isis, or the Female Principle; and the hypotenuse, Horus, their son ..." [Kenneth R.H. MacKenzie, The Royal Masonic Cyclopaedia of History, Rites, Symbolism, and Biography, New York, J.W. Bouton, 1877, p. 743] Thus, you can see that the hypotenuse was conceived as a result of the sexual union of the base and the perpendicular. Within Masonic symbolism, the sex act is portrayed as the union of the perpendicular and the base.*

*The Masonic Holiness Symbol*

*This symbol is rife with occult symbolism. many of the symbols are mentioned above. The thing that get me is how, what appears to be the Ark of The Covenant is displayed. First, the two characters on the Ark, which in Biblical times seems to be replaced with one male and one female character reaching out for each other as if to embrace. Second, the base of the Ark has two squares, which are indicative of femininity. The left side of the hearth has the female square while the right has the male compass. In the center of the hearth is the symbol of coitus. There's nothing holy about this symbol.*
