

## The Fundamental Transformation of America

The following is a list of offenses that Barack Hussein Obama has committed against the people of The United States of America. While some might see this as an indictment of Barack Hussein Obama by one or a group of individuals; this is not really true. We're told in Scripture that we'll know a tree by its fruits.

*Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves. Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles? Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit. A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit. Every tree that bringeth not forth good fruit is hewn down, and cast into the fire. Wherefore by their fruits ye shall know them. Matthew 7:15-30 KJV*

When you read the list below you will see that by his own words and actions, Obama is not a friend of the American People, but a Marxist who is dead set on transforming the United States from a Constitutional Republic to a socialist dictatorship. What is the indictment? We'll look at these things and then we'll look at why Yahweh is letting these things happen. Let's look at Obama's fruit:

Any one of these things; in and of themselves does not really matter. But.... when you add them up one by one you get a phenomenal score that points to the fact that our Obama is determined to make America over into a Marxist/Socialist society. All of the items in the preceding paragraphs have been put into place. All can be documented very easily. Before you disavow this; do an internet search. The last paragraph alone is not yet cast in stone. You and I will write that paragraph. Will it read as above or will it be a happier ending for most of America? Personally, I like happy endings.

If you are an Obama Supporter, please do not be angry with me because I think your president is a socialist. There are too many facts supporting this. If you seek the truth you will be richer for it. Don't just belittle the opposition. Search for the truth. I did. Democrats, Republicans, Independents, Constitutionalist, Libertarians and what have you; we all need to pull together. We all must pull together or watch the demise of a society that we all love and cherish. If you are a religious person; pray for our nation.

Never before in the history of America have we been confronted with problems so huge that the very existence of our country is in jeopardy. Don't rely on most television news and what you read in the newspapers for the truth. Search the internet. Yes, there is a lot of bad information, lies and distortions there too but you are smart enough to spot the fallacies. Newspapers are a dying breed. They are currently seeking a bailout from the government. Do you really think they are about to print the truth?

Obama praises all the television news networks except Fox who he has waged war against. There must be a reason. He does not call them down on any specifics, just a general battle against them. If they lie, he should call them out on it but he doesn't. Please, find the truth, it will set you free.

Our biggest enemy is not China, Russia, or Iran; no, our biggest enemy is a contingent of politicians in Washington DC.

There is no reason to doubt that there will be more offenses perpetrated against us by this evil and wicked man and his cronies. It is possible that he will see his plans come into fruition and that our once free nation will become a large internment camp for dissidents that number in the tens of millions. It is not beyond the realm of possibility that with our nation removed as the last bastion of freedom in this world, our persecution will be like none seen on the face of the earth. The New World Order hates freedom loving people like us and they would like nothing better to see us removed from the face of the earth.

I know that it doesn't sit well with a lot of people, but we have to wake up and realize that our nation is being judged for a multitude of sins. The church for the most part has been quiet as sins like abortion, homosexuality and abuse of women and children has raged out of control for many decades. The world is supposed to do wicked things, but Christians are supposed to be a light that shines upon darkness, and truth be told, our light has been flickering like a neon light bulb that has lost its gas. We can blame the world, but not speaking up and acting when injustices are being done is a sin in Yahweh's eyes, even more so than the sins that unrepentant sinners commit.

So while it is natural to be angered when we see the misdeeds of a self-deluded megalomaniac who sits in the highest office of our government, we have to recognize that he is a tool that Yahweh is using to judge our nation. If when you were young your dad used a belt to punish you for something that you did wrong you didn't feel that the belt was punishing you. No, you knew that your dad was using the belt as a tool to administer punishment. Barack Hussein Obama is a tool that is being used to correct an egocentric society that has gone out of its way to deny Yahweh and break his laws. If you get mad at Obama for what is happening, you aren't just getting mad at the instrument of correction; you are in essence angry with the one giving correction; and any way that you look at it, that is a sin.

There are many parallels between Yahweh's correction of Judah as seen in the Book of Jeremiah and His correction of America. Yahweh was using a tool in an effort to bring Judah to correction before He would be forced to bring an even stronger judgment. Judah denied that they were being judged and they fell into sin even worse. Here in the United States we think that we are still "God's Chosen People," when we have in effect told Yahweh to leave and to take His blessings with him. When blessings are absent there is a vacuum, and that vacuum is replaced by

curses. I'm not making that up; it is absolutely Biblical, and proven through Biblical history time and time again. If America thinks that it can circumvent Yahweh's precepts because it is a "Christian Nation," and therefore "under God's grace," then its people are under a strong delusion and given over to all of the things that rebellious nations incur due to that rebellion.

Some would say that revival will come to America and that the country will turn around; and that is a wonderful thought. We tend to believe that America has traveled too far down the path for that to happen. There will be a revival in America and many will be saved; but there will be a severe persecution of Believers of Yeshua, not because of the wrath of Yahweh, but because of the wrath of a nation that has been given over to its wicked desires. Prayer and fasting must be done for this revival to come about, and it will; but don't expect things to return to what they used to be; that will not happen. America has become Babylon, and will be judged with the fury of Yahweh and all things will come to pass that have been written since before the beginning of time. Amen.
